[No. O-14016/298/85-G.P.]

का. अ. 128.—यतः वैदेशीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि उत्तर प्रदेश में हाजिरा-बरेली-जगदीशपुर तक पेट्रोलियम के परिवहन के लिए पाइप लाइन भारतीय गैस प्राधिकरण लि. द्वारा निष्ठाई जानी चाहिए।

और यतः प्रतीत होता है कि ऐसी लाइनों को बिछाने के प्रयोजन के लिए एतदुपायबद्ध अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अथ पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उस में उपयोग का अधिकार अर्जित करने का अपना आशय एतद्द्वारा घोषित किया है।

अतः कि उक्त भूमि में हितबद्ध कोई व्यक्ति उस भूमि के नीचे पाइप लाइन बिछाने के लिए आशय सक्षम प्राधिकारी, भारतीय गैस प्राधिकरण लि., लखनऊ-226000 य. पी. को इस अधिसूचना की तारीख से 21 दिन के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति विनिर्दिष्टतः यह भी कथन करेगा कि क्या वह चाहता है कि उसकी खुनवाई व्यक्तिगत रूप से हो या किसी विधि व्यवसायी की मार्फत।

आदेश

का. मा. 141:—भारत के निर्यात व्यापार के विकास के लिए सार्वकालिक टायरों तथा सार्वकालिक ट्यूबों को निर्यात से पूर्व क्वालिटी नियंत्रण

और निरीक्षण के अधीन करने के लिए कतिपय प्रस्ताव, निर्यात (क्वालिटी नियंत्रण और निरीक्षण) नियम, 1964 के नियम 11 के उपनियम (2) की अपेक्षानुसार, भारत सरकार को वाणिज्य मंत्रालय के आदेश नं. का. अ. 2621, तारीख 26 जुलाई, 1986 के अंतर्गत भारत के राजपत्र, भाग-II, खंड-3, उपखंड-(ii), तारीख 26 जुलाई, 1986 में प्रकाशित किए गए थे;

और उक्त आदेश के राजपत्र में प्रकाशित होने की तारीख से वैतालीस दिन के भीतर उन सभी व्यक्तियों से आशेष और सुझाव मांगे गए थे, जिनके उनसे प्रभावित होने की संभावना थी;

और उक्त राजपत्र की प्रतियां जनता को 6 अगस्त, 1986 को उपलब्ध करा दी गयी थी;

और उक्त प्रस्ताव पर जनता से कोई भी आशेष या सुझाव प्राप्त नहीं हुए हैं;

अतः, निर्यात (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 6 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, केन्द्रीय सरकार, निर्यात निरीक्षण परिषद में परामर्श करने के पश्चात् अपनी यह राय होने पर कि भारत के निर्यात व्यापार के विकास के लिए ऐसा करना आवश्यक और समीचीन है :—

(1) अधिसूचित करती है कि साईकिल टायरों तथा साईकिल ट्यूबों का निर्यात से पूर्व क्वालिटी नियंत्रण और निरीक्षण किया जाएगा;

(2) राष्ट्रीय तथा अंतर्राष्ट्रीय मानकों तथा निर्यात निरीक्षण परिषद् द्वारा मान्यता प्राप्त अन्य निकायों के मानकों और साईकिल टायरों तथा साईकिल ट्यूबों के लिए मानक विनिर्देशों के संदर्भ में आदेश के परिशिष्ट में विनिर्दिष्ट न्यूनतम विशेषताओं की संतुष्टि करने वाले उत्पाद के प्रवीन संबिधारक विनिर्देशों को भी मान्यता देती है।

टिप्पणः—(i) जब निर्यात संविदा, व्योरेबार् तकनीकी आवश्यकताओं को वंशित नहीं करती है या केवल नमूनों पर ही आधारित है, तो निर्यातकर्ता को लिखित निर्देश देने चाहिए।

(ii) परीक्षण की पद्धति राष्ट्रीय मानक के अनुसार होगी।

(3) साईकिल टायरों और साईकिल ट्यूबों का निर्यात (क्वालिटी नियंत्रण और निरीक्षण) नियम, 1987 के अनुसार क्वालिटी नियंत्रण और निरीक्षण के प्रकार को क्वालिटी नियंत्रण और निरीक्षण के ऐसे प्रकार के रूप में विनिर्दिष्ट करती है कि साईकिल टायरों और साईकिल ट्यूबों को उनके निर्यात से पूर्व लागू होगा;

(4) अंतर्राष्ट्रीय व्यापार के दौरान ऐसे साईकिल टायरों और साईकिल ट्यूबों के निर्यात को तब तक प्रतिषिद्ध करती है जब तक कि उनके साथ निर्यात (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 7 के अधीन केन्द्रीय सरकार द्वारा मान्यता प्राप्त किसी अधिकरण द्वारा जारी किया गया इस प्राणश का निरोधक प्रमाण-पत्र न हो कि ऐसे साईकिल टायर और साईकिल ट्यूब मानक विनिर्देशों के अनुरूप हैं तथा निर्यात योग्य हैं या उन पर उक्त अधिनियम की धारा 8 के अधीन केन्द्रीय सरकार द्वारा मान्यता प्राप्त सीन या त्रिभुज चिपका हुआ है।

2. इस आदेश की कोई भी बात भावी क़ेताओं की भूमि, समुद्र, या वायु मार्ग द्वारा साईकिल टायर और साईकिल ट्यूब के ऐसे नमूनों के निर्यात को लागू नहीं होगी (जिनका पोत—पर्यन्त निःशुल्क मूल्य 250 रु. से अधिक न हो)।

3. इस आदेश में :—

(1) "परिशिष्ट" से इस आदेश का परिशिष्ट अभिप्रेत है;

(2) "साईकिल टायरों" से साईकिलों और रिक्शा में प्रयोग होने वाले ऐसे टायर अभिप्रेत हैं जिनमें दो स्टील बीड वायर, बीड रिंग तथा उपयुक्त मिश्रित रबर की धारियों सहित रबर की कोई केब्रिक केसिंग होगी;

(3) "साईकिल ट्यूबों" से साईकिलों और रिक्शा में प्रयोग के लिए बनाई गई रबर की ट्यूब अभिप्रेत है जो उपयुक्त मिश्रित तथा बलकित किए गए प्राकृतिक या संश्लिष्ट रबर की बनी होगी।

4. यह आदेश के राजपत्र में प्रकाशन की तारीख को प्रवृत्त होगा।

परिशिष्ट

(आदेश का उप-तैरा (2) देखिए)

1. ग्रेड-I तथा II के लिए साईकिल टायरों का प्रत्येक विनिर्देश साईकिल टायरों के लिए निम्नलिखित न्यूनतम विनिर्देशों का पालन करेगा :—

क. साईकिल टायर ग्रेड-I-रिक्शा के लिए यन्त्री क्षमता (हेवी ड्यूटी)

1. किनिश तथा कारीगरी :—साईकिल टायरों की किनिश अच्छी होगी तथा वाक्षुप अपूर्णता से मुक्त होंगी।

2. विमाएं :—साईकिल टायरों की विमाएं/आकार विदेशी क़ेता तथा निर्यातकर्ता के बीच हुए करार के अनुसार होंगी।

3. केसिंग मजबूती :—सामग्री की केसिंग मजबूती 25 प्रति मि. मीटर चौड़ाई पर 170 किलोग्राम से कम नहीं होगी।

4. बीड वायरों का टूटन भार :—जब किसी भी केन्द्र पर बीड वायरों के जोड़ सहित परीक्षण किया जाए तो एकदूरे या बहुत कुण्डलियों का समायोजन करने हुए प्रत्येक बीड वायर का न्यूनतम टूटन भार 300 किलोग्राम होगा।

5. स्वरित काल प्रभावन :—रबर मिश्रण के टूटने पर तनन सामर्थ्य तथा दीर्घाकरण वायु ओवन में 72 घंटों के लिए 70° से. $\pm 1^\circ$ से. पर काल प्रभावन के पश्चात् वास्तविक मूल्य से +10 प्रतिशत से अधिक

—15

भिन नह होगा।

6. अन्य अपेक्षाएं :—साईकिल टायर निम्नलिखित के संबंध में सुसंगत भारतीय मानक विनिर्देशों की अपेक्षाओं के अनुरूप होंगे :—

1. संरचना;
2. शिखर मोटाई;
3. रबर मिश्रण की तनन सामर्थ्य;
4. रबर मिश्रण के टूटन पर दीर्घाकरण।

ख. साईकिल टायर ग्रेड-II साईकिलों के लिए हल्का भार (लाईट ड्यूटी) :—

1. किनिश तथा कारीगरी :—साईकिल टायरों की किनिश अच्छी होगी तथा वाक्षुप अपूर्णता से मुक्त होंगी।

2. विमाएं :—साईकिल टायरों की विमाएं/आकार विदेशी क़ेता और निर्यातकर्ता के बीच हुए करार के अनुसार होंगी।

3. स्वरित काल प्रभावन :—रबर मिश्रण के टूटन पर तनन सामर्थ्य और दीर्घाकरण वायु ओवन में 72 घंटों के लिए 70° से. $\pm 1^\circ$ से. पर काल प्रभावन के पश्चात् वास्तविक मूल्य से +10 प्रतिशत से अधिक

—15

भिन नहीं होगी।

4. अन्य अपेक्षाएं :—साईकिल टायर निम्नलिखित के संबंध में, सुसंगत भारतीय मानक विनिर्देशों की अपेक्षाओं के अनुरूप होंगे :—

- (1) संरचना;
- (2) शिखर मोटाई;
- (3) केसिंग क्षमता;
- (4) बीड वायर का टूटन भार;

(5) रबर मिश्रण की तनन सामर्थ्य;

(6) रबर मिश्रण को टूटन पर वीर्धीकरण।

2. सार्वकिल ट्यूबों का प्रत्येक विनिर्माता सार्वकिल ट्यूबों के लिए निम्नलिखित न्यूनतम विनिर्देशों का पालन सुनिश्चन करेगा :-

1. संरचना :—सार्वकिल ट्यूबों प्राकृतिक या संश्लिष्ट या उपयुक्त रूप से मिश्रित तथा बल्कलिन दोनों के मिश्रण से विनिर्मित की जाएंगे।

2. फिनिश तथा कारीगरी :—सार्वकिल ट्यूबों की फिनिश अच्छी होगी तथा चाक्षुष दोषों से मुक्त होगी।

3. विमाण :—सार्वकिल ट्यूबों की विमाण/आकार विदेशी केता और निर्यातकर्ता के बीच हुए करार के अनुसार होगी।

4. त्वरित काल प्रभावन :—रबर मिश्रण के टूटन पर तनन सामर्थ्य और वीर्धीकरण बायु ओशन 72 घंटों के लिए 70° से. $\pm 1^{\circ}$ से. पर काल प्रभावन के पश्चात् सामान्यिक मूल्य से $+1^{\circ}$ प्रतिशत से अधिक मिनन नहीं होगी।

5. अन्य अपेक्षाएं :—सार्वकिल ट्यूबों निम्नलिखित से संबंध में सुसंगत भारतीय मानक विनिर्देशों की अपेक्षाओं के अनुरूप होंगी :-

- (1) तनन मजबूती;
- (2) टूटन पर वीर्धीकरण;
- (3) संयुक्त भासंजन मजबूती
- (4) लीक परीक्षण।

MINISTRY OF COMMERCE

New Delhi, the 17th January, 1987

ORDER

S.O. 141.—Whereas for the development of the export trade of India, certain proposals for subjecting Cycle Tyres and Cycle Tubes to quality control and inspection prior to export, were published as required by sub-rule (2) of Rule 11 of the Export (Quality Control and Inspection) Rules, 1964, in the Gazette of India, Part-II, Section 3, sub-section (ii) dated the 26th July, 1986, under the Order of the Government of India in the Ministry of Commerce No. S.O. 2621 dated the 26th July, 1986;

And whereas the objections and suggestions were invited from all persons likely to be affected thereby within 45 days of the publication of the said order in Official Gazette;

And whereas the copies of the said Gazette were made available to the public on the 6th August, 1986;

And whereas no objections or suggestions have been received from the public on the said draft proposals;

Now, therefore, in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government, after consultation with the Export Inspection Council, being of opinion that it is necessary and expedient so to do for the development of the export trade of India, hereby :-

- (1) notifies that cycle tyres and cycle tubes shall be subject to quality control and inspection prior to export;
- (2) recognises national and international standards and standards of other bodies recognised by Export Inspection Council and also the contractual specifications subject to the product specifying the minimum of the characteristics specified in the Appendix to the order in respect of the standard specifications for cycle tyres and cycle tubes.

Note :

- (i) When export contract does not indicate detailed technical requirement or is based only on samples, the exporter should furnish a written down specification.

(ii) Methods of tests will be as per national standards.

(3) specifies the type of quality control and inspection in accordance with the Export of Cycle Tyres and Cycle Tubes (Quality Control and Inspection) Rules, 1987, as the type of quality control and inspection which shall be applied to such cycle tyres and cycle tubes prior to their export.

(4) prohibits the export in the course of international trade of such cycle tyres and cycle tubes unless the same are accompanied by a certificate of inspection issued by an agency recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963) to the effect that such cycle tyres and cycle tubes conform to the standard specifications and are export worthy or is affixed with a seal or mark recognised by the Central Government under section 8 of the said Act.

2. Nothing in this order shall apply to the export by land, sea or air of bonafide samples of cycle tyres and tubes (not exceeding Rs. 250) in FOB value to prospective buyers.

(1) In this order—

'Appendix' means an appendix to this order.

(2) 'Cycle Tyres' means tyres to be used for bicycles and rickshaws and shall consist of rubberised cord fabric casing enclosing two steel bead wires, bead ring and tread strips of suitably compounded rubber;

(3) 'Cycle Tubes' means rubber tubes meant for bicycles and rickshaws and shall be manufactured from natural or synthetic rubber suitably compounded and vulcanised.

4. This order shall come into force on the date of its publication in the Official Gazette.

APPENDIX

[See paragraph (2) of the order]

1. Every manufacturer of the cycle tyres for Grade I and Grade II shall follow the following minimum specification for Cycle Tyres :—

A. Cycle Tyres Grade I—Heavy duty for Rickshaw
(1) Finish and Workmanship.—The cycle tyre shall have a good finish and shall be free from visual imperfections.

(2) Dimensions.—The dimension/sizes of cycle tyre shall be as agreed between the foreign buyer and the exporter.

(3) Casing Strength.—The material shall give a casing strength of not less than 170 kg. per 25 mm. width.

(4) Breaking load of bead-wires.—The minimum ultimate breaking load of each bead wires comprising of a single or multiple coils shall be 300 kgs. when tested at any point including at the joint of the bead wire.

(5) Accelerated Ageing.—The tensile strength and elongation at break of the rubber compound shall not vary by more than $+10$ percent from the original values after ageing at $70^{\circ}\text{C} \pm 1^{\circ}$ for 72 hours in an air oven.

(6) Other requirements.—The cycle tyre shall conform to the requirements of the relevant Indian Standard Specification in respect of the following :—

1. Construction
2. Crown Thickness
3. Tensile strength of rubber compound.

4. Elongation at break of rubber compound.

B. Cycle tyres Grade II—Light duty for bicycles
(1) Finish and Workmanship.—The cycle tyre shall have a good finish and shall be free from visual imperfections.

(2) Dimensions.—The dimensions/sizes of cycle tyre shall be as agreed between the foreign buyer and the exporters.

(3) Accelerated ageing.—The tensile strength and elongation at break of the rubber compound shall not vary by more than +10 percent from the original

—15

value after ageing at $70^{\circ} \text{C} \pm 1^{\circ} \text{C}$ for 72 hours in an air oven.

(4) Other requirements.—The cycle tyre shall conform to the requirements of the relevant Indian Standard Specifications in respect of the following :

(1) Construction

(2) Crown thickness

(3) Casing Strength

(4) Breaking load of bead wires

(5) Tensile strength of rubber compound

(6) Elongation at break of rubber compound.

2. Every manufacturer of the cycle Tubes shall ensure to follow the following minimum specification for Cycle Tubes.

1. Construction.—The cycle Tubes shall be manufactured from natural or synthetic rubber or a mixture of both suitably compounded and vulcanised.

2. Finish and Workmanship.—The cycle tubes shall have a good finish and shall be free from visual imperfections.

3. Dimensions.—The dimensions/sizes of cycle tubes shall be as agreed between the foreign buyer and the exporter.

4. Accelerated ageing.—The tensile strength and elongation at break of rubber compound after ageing at $70^{\circ} \text{C} \pm 1^{\circ} \text{C}$ for 72 hours, in an air oven shall not vary by more than +10 percent from the original

—15

values.

5. Other requirements.—The cycle tubes shall conform to the requirements of the relevant Indian Standard Specification in respect of the following :

(1) Tensile Strength

(2) Elongation at break

(3) Joint Adhesion Strength

(4) Leak Test.

का.आ. 142:—केन्द्रीय सरकार, निर्यात (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 17 की उप-धारा (2) के खंड (घ) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, निम्नलिखित नियम बनाती है, अर्थात्:—

1. संक्षिप्त नाम और प्रारम्भ:—(1) इन नियमों का संक्षिप्त नाम साईकिल टायरों और साईकिल ट्यूबों का निर्यात (क्वालिटी नियंत्रण और निरीक्षण) नियम, 1987 है।

(2) ये राजपत्र में प्रकाशन की तारीख को प्रबल होंगे।

2. परिभाषा:—इन नियमों में, जब तक कि संदर्भ से अन्वया अपेक्षित न हो,

(क) “अधिनियम” से निर्यात (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) अभिप्रेत है।

(ख) “अधिकरण” से अधिनियम की धारा 7 के अधीन बम्बई, कोचीन, कलकत्ता, दिल्ली तथा मद्रास में स्थापित कोई अधिकरण अभिप्रेत है।

(ग) “साईकिल टायरों” से ऐसे टायर अभिप्रेत हैं जो साईकिल और रिक्शा में प्रयोग होते हैं जिनमें वा स्टीन बौड वायर, बीड रिंग तथा उपयुक्त मिश्रित रबर को धारियों सहित रबर की कोई फेब्रिक केविंग होगी।

(घ) “साईकिल ट्यूबों” से साईकिलों और रिक्शा में प्रयोग के लिए बनाई गई रबर की ट्यूब अभिप्रेत हैं जो उपाक्त रूप से मिश्रित तथा वस्कनिंग किए गए प्राकृतिक या संश्लिष्ट रबर की बनी होगी।

(ङ) “परिषद्” से अधिनियम की धारा 3 के अधीन स्थापित नियंत्रण निरीक्षण परिषद् अभिप्रेत है।

(च) “अनुसूची” से इन नियमों से संलग्न अनुसूची अभिप्रेत है।

3. निरीक्षण का आदेश:—निर्यात के लिए आशयित साईकिल टायर तथा साईकिल ट्यूबों का निरीक्षण यह सुनिश्चित करने की दृष्टि से किया जाएगा कि साईकिल टायर तथा साईकिल ट्यूबों का परेक्षण निर्यात (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 6 के अधीन केन्द्रीय सरकार द्वारा मान्यता प्राप्त मानक विनिर्देशों के अनुरूप है:—

(क) यह सुनिश्चित करने हुए कि उत्पाद विनिर्माण अनुसूची-1 में विनिर्दिष्ट अनिवार्य क्वालिटी नियंत्रणों का प्रयोग करते हुए किया गया है, या

(ख) अनुसूची-3 में विनिर्दिष्ट ढंग से किए गए निरीक्षण तथा परीक्षण के आदेश पर।

4. निरीक्षण की प्रक्रिया:—(1) साईकिल टायरों तथा साईकिल ट्यूबों के परेक्षण का निर्यात करने का दृष्टिकोण निर्यातकर्ता, निर्यात संविदा या आवेदन की प्रति के साथ संविदापत्रक विनिर्देशों का विवरण देने हुए, अधिकरण को लिखित रूप में सूचना देगा जिससे अधिकरण नियम-3 के अनुसार निरीक्षण कर सके।

(2) निर्यात के लिए साईकिल टायरों तथा साईकिल ट्यूबों का विनिर्माण अनुसूची-1 में अधिकृत उत्पादन के दौरान पर्याप्त क्वालिटी नियंत्रणों का प्रयोग करते हुए किया गया है और इन प्रयोजन के लिए परिषद् द्वारा परिषद्/अधिकरण द्वारा गठित विशेषज्ञों के पैनल द्वारा यह न्याय निर्णीत किए जाने पर कि विनिर्माण एकक में उत्पादन के दौरान पर्याप्त क्वालिटी नियंत्रण मिलें हैं, निर्यातकर्ता उप-नियम (1) में उल्लिखित सूचना के साथ यह घोषणा भी देगा कि निर्यात के लिए आशयित साईकिल टायरों तथा साईकिल ट्यूबों के परेक्षण का विनिर्माण अनुसूची-1 में अधिकृत पर्याप्त क्वालिटी नियंत्रणों का प्रयोग करते हुए किया गया है और परेक्षण इस प्रयोजन के लिए मान्य मानक विनिर्देशों के अनुरूप है।

(3) निर्यातकर्ता अधिकरण को निर्यात किए जाने वाले परेक्षण पर लगाए जाने वाले पहचान चिह्न भी प्रस्तुत करेगा।

(4) उपरोक्त उप-नियम (1) के अधीन प्रत्येक सूचना विनिर्माण के परिसर से परेक्षण के भेजे जाने से कम से कम तीन दिन पूर्व दी जाएगी जब कि उपनियम (2) के अधीन घोषणा सहित सूचना, विनिर्माता के परिसर से परेक्षण के भेजे जाने से कम से कम तीन दिन पूर्व दी जाएगी।

(5) उप-नियम (1) के अधीन सूचना तथा उप-नियम (2) के अधीन घोषणा को यदि कोई हो, प्राप्त होने पर अधिकरण:—

(क) अपना यह समाधान कर लेने पर कि विनिर्माण की प्रक्रिया के दौरान विनिर्माता ने अनुसूची-1 में अधिकृत पर्याप्त

क्वालिटी नियंत्रण का प्रयोग किया है तथा इस प्रयोजन के लिए मान्य मानक विनिर्देशों के अनुरूप उत्पाद का विनिर्माण करने के संबंध में परिषद/अभिकरण द्वारा जारी किए गए निर्देशों को, यदि कोई हो पालन किया है, तीन दिन के भीतर यह घोषणा करते हुए प्रमाण-पत्र जारी करेगा कि साईकिल टायरों तथा साईकिल ट्यूबों का परेपण नियमित योग्य है। ऐसे मामलों में जहां विनिर्माता, निर्यातकर्ता नहीं है, तथापि परेपण का भौतिक सत्यापन किया जाएगा तथा ऐसा उत्पादन तथा निरीक्षण, जैसा आवश्यक हो, अभिकरण द्वारा यह सुनिश्चित करने के लिए किया जाएगा कि उरोक्त शर्तों का पालन किया गया है। तथापि अभिकरण निर्यात के लिए आयातित कुछ परेपणों की स्वयं पर ही जांच करेगा तथा एकक द्वारा अपनाई गयी क्वालिटी नियंत्रण झिलों की पर्याप्तता के रख-रखाव का सत्यापन करने के लिए नियमित अंतरालों पर एककों में जाएगा। यदि यह पाया जाता है कि विनिर्माण एकक ने परिषद अभिकरण के अधिकारियों की सकारित पर विनिर्माण के किसी भी स्तर पर अशेषित क्वालिटी नियंत्रण उपायों को नहीं अपनाया है तो यह घोषित किया जाएगा कि एकक के पास उत्पादन के दौरान पर्याप्त क्वालिटी नियंत्रण झिलें नहीं हैं। ऐसे मामलों में एकक उनके द्वारा अपनाए गए क्वालिटी नियंत्रण झिलों की पर्याप्तता के अनुमोदन के लिए पुनः आदेशन करेगा।

(ख) ऐसे मामलों में जहां निर्यातकर्ता ने उपनियम (2) के अधीन यह घोषित नहीं किया है कि अनुसूची-1 में अधिकृत पर्याप्त क्वालिटी नियंत्रण का प्रयोग किया गया है, अपना यह समाधान कर लेने पर कि साईकिल टायरों और साईकिल ट्यूबों का परेपण इस प्रयोजन के लिए मान्यता प्राप्त मानक विनिर्देशों के अनुरूप है, अनुसूची-3 में अधिकृत निरीक्षण/परीक्षण के आधार पर या दोनों के आधार पर, ऐसे निरीक्षण करने के सात दिन के भीतर यह घोषित करते हुए, प्रमाण-पत्र जारी करेगा कि साईकिल टायर और साईकिल ट्यूबों निर्यात योग्य हैं:

परन्तु जहां अभिकरण का ऐसा समाधान नहीं होता है वहां यह साईकिल टायरों तथा साईकिल ट्यूबों के परेपण को निर्यात योग्य घोषित करने के लिए निर्यातकर्ता को प्रमाण-पत्र जारी करने से इंकार कर देगा और ऐसे इंकार की सूचना उसके कारणों सहित निर्यातकर्ता को सात दिन के भीतर देगा।

(6) ऐसे मामलों में, जहां विनिर्माता, निर्यातकर्ता नहीं है या परेपण का उपनियम (5) (ख) के अधीन निरीक्षण किया जाता है या दोनों मामलों में, निरीक्षण की समाप्ति के तुरंत पश्चात् अभिकरण परेपण में वैकेंजों को इस ढंग से मुहरबन्द करेगा जिससे यह सुनिश्चित हो जाए कि मुहरबन्द वैकेंजों में फेरबदल न की जा सकती। परेपण की अस्वीकृति की दशा में, यदि निर्यातकर्ता ऐसा चाहे तो परेपण अभिकरण द्वारा मुहरबन्द नहीं किया जाएगा, किन्तु ऐसे मामलों में निर्यातकर्ता अस्वीकृति के विरुद्ध अपील करने का हकदार नहीं होगा।

5. मान्य चिन्ह लगाना और उसकी प्रक्रिया:—भारतीय मानक संस्था (प्रमाणन चिन्ह) अधिनियम, 1952 (1952 केन्द्रीय अधिनियम का 36), भारतीय मानक संस्था (प्रमाणन चिन्ह) नियम, 1955 तथा भारतीय मानक संस्था, (प्रमाणन-चिन्ह) विनियम, 1955 के उपबंध साईकिल टायरों और साईकिल ट्यूबों पर मान्य चिन्ह या मुहर लगाने की प्रक्रिया के संबंध में यथासंभव लागू होंगे।

6. निरीक्षण का स्थान:—इन नियमों के अधीन प्रत्येक निरीक्षण या तो:—

(क) ऐसे उत्पाद के विनिर्माता के परिसर पर किया जाएगा,

या

(ख) उस परिसर पर किया जाएगा जहां निर्यातकर्ता द्वारा सात प्रस्तुत किया जाता है, परन्तु यह तब जब कि वहां निरीक्षण के लिए पर्याप्त सुविधाएं विद्यमान हों।

7. निरीक्षण कीस:—निर्यातकर्ता द्वारा अभिकरण को निम्न प्रकार कीस दी जाएगी:—

(1) (क) उत्पादन के दौरान क्वालिटी नियंत्रण योजना के अधीन निर्यात करने के लिए न्यूनतम 20 स. प्रति परेपण के अधीन रहते हुए, पोट पर्यन्त निःशुल्क मूल्य के 0.2 प्रतिशत की दर से।

(ख) परेपण के अनुसार निरीक्षण के अधीन निर्यात करने के लिए न्यूनतम 20 स. प्रति परेपण के अधीन रहते हुए पोट-पर्यन्त निःशुल्क मूल्य के 0.4 प्रतिशत की दर से।

(2) उन निर्यातकर्ताओं के लिए जो संबंधित राज्यों या संघ राज्य क्षेत्रों की सरकारों के पास नव उद्योग एककों के रूप में रजिस्ट्रीकृत हैं, प्रति परेपण कम से कम 20 स. के अधीन रहते हुए, उपनियम (1) के खंड (क) और (ख) के लिए क्रमशः 0.18 प्रतिशत और 0.36 प्रतिशत की दर से देय होगी।

8. अपील:—(1) नियम 4 के उपनियम (5) के अधीन अभिकरण द्वारा प्रमाण-पत्र देने से इंकार किए जाने से व्यक्ति कोई व्यक्ति, ऐसे इंकार की सूचना प्राप्त होने के दस दिन के भीतर विशेषज्ञों के पैनल को, जो केन्द्रीय सरकार द्वारा इस प्रयोजन के लिए नियुक्त कम से कम तीन और अधिक से अधिक सात व्यक्तियों से मिलकर बनेगा, अपील कर सकेगा।

(2) विशेषज्ञों के पैनल की कुल सदस्यता के दो तिहाई सदस्य ऐसे व्यक्ति होंगे जो पेशदारी नहीं हैं।

(3) विशेषज्ञों के पैनल की गणपूर्ति तीन से होगी।

(4) अपील, उसके प्राप्त होने के पंद्रह दिन के भीतर निपटा दी जाएगी।

साईकिल टायर और साईकिल ट्यूबों का प्रत्येक विनिर्माता इसमें संलग्न अनुसूची-2 में दिए गए नियंत्रण के स्तरों सहित उत्पाद के विनिर्माण, परिदृश्य और पैकिंग के विभिन्न प्रक्रमों पर निम्नलिखित नियंत्रणों का प्रयोग करते हुए, सुनिश्चित करेगा:—

(i) क्रय और कच्ची सामग्री का नियंत्रण:—

(क) विनिर्माता प्रयोग की जाने वाली कच्ची सामग्रियों की विशेषताओं को समाविष्ट करते हुए क्रय विनिर्देश अधिकृत करेगा।

(ख) स्वीकृत परेपणों के साथ, क्रय विनिर्देशों को अपेक्षाओं की संतुष्टि करते हुए प्रदायकर्ता का परीक्षण और निरीक्षण प्रमाण-पत्र होगा। ऐसे मामले में केना द्वारा विशिष्ट प्रदायकर्ता के लिए पूर्वोक्त परीक्षण की श्रुति की सत्यापित करने के लिए दस परेपणों की कम से कम एक बार यथा कदा की जाने वाली जांच बाहरी प्रयोगशाला या परीक्षण गृह में की जाएगी।

(ग) किए जाने वाले निरीक्षण या परीक्षण के लिए नमूना लेना अधिलिखित अन्वेषणों पर आधारित होगा।

(घ) निरीक्षण या परीक्षण किए जाने के पश्चात् अस्वीकृत या स्वीकृत सामग्री का पृथक्करण और अस्वीकृत सामग्री का निपटारा करने के लिए व्यवस्थित प्रक्रियाएं अपनाई जाएंगी।

(ङ) पूर्वोक्त नियंत्रणों के संबंध में विनिर्माता पर्याप्त अधिलेख नियमित और व्यवस्थित रूप से रखेगा।

(ii) प्रक्रिया नियंत्रण :—

- (क) विनिर्माता, विनिर्माण के विभिन्न प्रक्रमों के लिए ब्यौरेवार प्रक्रिया विनिर्देश अधिकृत करेगा।
- (ख) प्रक्रिया विनिर्देशों में अधिकृत प्रक्रियाओं को नियंत्रित करने के लिए उपस्कर और उपकरण की पर्याप्त सुविधाएं होंगी।
- (ग) विनिर्माण की प्रक्रिया के दौरान प्रयुक्त नियंत्रण के स्थापन की संभावना को सुनिश्चित करने के लिए विनिर्माता द्वारा पर्याप्त अभिलेख रखे जाएंगे।

(iii) उत्पाद नियंत्रण :—

- (क) अधिनियम की धारा 6 के अधीन मान्य विनिर्देशों के अनुरूप उत्पाद की जांच करने के लिए विनिर्माता के पास या तो अपनी परीक्षण सुविधाएं होंगी या उसकी पहुंच वहां तक होगी जहां ऐसी परीक्षण सुविधाएं विद्यमान हों।
- (ख) किए जाने वाले निरीक्षण तथा परीक्षण के लिए नमूने लेना अभिलेखित श्रवणों पर आधारित होगा।
- (ग) लिए गए नमूने तथा किए गए परीक्षण के संबंध में पर्याप्त अभिलेख नियमित तथा व्यवस्थित रूप में रखे जाएंगे।
- (घ) उत्पाद की जांच करने के लिए नियंत्रण के न्यूनतम स्तर, अनुसूची-2 में विनिर्दिष्ट रूप में होंगे।
- (ङ) सार्इकिल टायरों और सार्इकिल ट्यूबों पर अभिलेखित आकार विनिर्माता का नाम या संकेपाक्षर या व्यापार चिह्न चिह्नित होंगे।

(iv) परिरक्षण नियंत्रण :—

भंडारण तथा अभिवहन के दौरान उत्पाद अपनी भांति परिरक्षित किया जाएगा।

(v) पैकेज नियंत्रण :—

- (क) पैकेज देखने में सुन्दर होंगे तथा अभिवहन के दौरान उड़ाई-धराई की दृष्टि से काफी मजबूत होंगे।
- (ख) प्रत्येक पैकेज पर निम्नलिखित जानकारी दी जाएगी, यर्थात् :—
- अभिलेखित आकार, विनिर्माता का नाम तथा व्यापार चिह्न।
 - सामग्री की मात्रा।
 - पोत लदान चिह्न।

New Delhi, the 17th January, 1987

S.O. 142.—In exercise of the powers conferred by clause (d) of sub-section (2) of section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby, makes the following rules, namely :—

1. Short title and commencement.—(1) These rules may be called the Export of Cycle Tyres and Cycle Tubes (Quality Control and Inspection) Rules, 1987.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions.—In these rules, unless the context otherwise requires :—

(a) "Act" means the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

(b) "agency" means any one of the agencies established under section 7 of the Act at Bombay, Cochin, Calcutta, Delhi and Madras.

(c) "Cycle tyres" means tyres to be used for bicycle and rickshaws and shall consist of rubberised cord fabric casing enclosing two steel bead wires, bead rings and tread strips of suitably compounded rubber.

(d) "cycle tubes" means rubber tubes meant for bicycles and rickshaws tyres and shall be manufactured from natural or synthetic rubber suitably compounded and vulcanised.

(e) "Council" means the Export Inspection Council established under section 3 of the Act.

(f) "schedule" means schedules, appended to these rules.

3. Basis of Inspection.—Inspection of cycle tyres and cycle tubes for export shall be carried out with a view to seeing that the cycle tyres and cycle tubes conform to the specification recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

(a) by ensuring that the products have been manufactured by exercising necessary inprocess quality control as specified in Schedule-I;

or

(b) on the basis of inspection and testing carried out in the manner specified in Schedule-III.

4. Procedure of Inspection.—(1) An exporter intending to export a consignment of cycle tyres and cycle tubes shall give an intimation in writing to the agency furnishing therein details of the contractual specifications alongwith a copy of the export contract or order to enable the agency to carry out inspection in accordance with rule 3.

(2) For export of cycle tyres and cycle tubes manufactured by exercising adequate inprocess quality control as laid down in Schedule-I and the manufacturing unit adjudged as having adequate inprocess quality control drills by the Council/Panel of Exports constituted by the Council/Agency for this purpose, the exporter shall also submit alongwith the intimation mentioned in sub-rule (1) a declaration that the consignment of cycle tyres and cycle tubes intended for export has been manufactured by exercising adequate quality control as laid down in Schedule-I and that the consignment conforms to the standard specifications recognised for the purpose.

(3) The exporter shall furnish to the agency the identification marks applied on the consignment to be exported.

(4) Every intimation under sub-rule (1) above shall be given not less than seven days prior to the despatch of the consignment from the manufacturer's premises while intimation alongwith the declaration under sub-rule (2) shall be given not less than three days prior to the despatch of the consignment from the manufacturer's premises.

(5) On receipt of the intimation under sub-rule (1) and the declaration, if any, under-rule (2), the agency :—

(a) On satisfying itself that during the process of manufacture, the manufacturer has exercised adequate quality control as laid down in Schedule-I and followed the instructions, if any, issued by the Council/Agency in this regard to manufacture the product to conform to the standard specifications recognised for the purpose, shall within three days issue a certificate declaring the consignment of cycle tyres and cycle tubes as exportworthy. In cases where the manufacturer is not the exporter, however the consignment shall be physically verified and such verification and inspection as necessary shall be carried out by the agency to ensure that the above conditions are complied with. The agency shall, however, conduct spot checks on some of the consignments meant for export and also visit the units at regular intervals to verify the maintenance of the adequacy of inprocess quality control drills adopted by the Unit. If the manufacturing unit is found not adopting the required quality control measures at any stage of manufacture on recommendation of the officers of the Council/Agency the unit shall be declared as not having adequate inprocess quality control drills. In such cases, the

unit shall apply afresh for the approval of the adequacy of inprocess quality control drills adopted by them.

- (b) In case where the exporter has not declared under sub-rule (2) that the adequate quality control as laid down in Schedule-I had been exercised on satisfying itself that the consignment of cycle tyres and cycle tubes conforms to the standard specifications recognised for the purpose, on the basis of inspection/testing carried out as laid down in Schedule-III, or on the basis of both, shall within seven days of carrying out such inspection issue a certificate declaring the consignment of cycle tyres and cycle tubes as exportworthy :

Provided that where the agency is not so satisfied it shall refuse to issue a certificate to the exporter declaring the consignment of cycle tyres and cycle tubes as exportworthy and shall communicate such refusal within seven days to the exporter along with the reasons therefor.

(6) In case where the manufacturer is not the exporter or the consignment is inspected under sub-rule (5)(b) or in both cases, the agency shall immediately after completion of the inspection, seal the packages in the consignment in a manner so as to ensure that the sealed packages cannot be tampered with. In case of rejection of the consignment if the exporter so desires, the consignment may not be sealed by the agency, but in such cases, however, the exporter shall not be entitled to prefer any appeal against the rejection.

5. Affixation of recognised mark and procedure therefor :—The provisions of the Indian Standards Institution (Certification Marks) Act, 1952 (Central Act 36. of 1952), the Indian Standards Institution (Certification Marks) Rules, 1955 and the Indian Standards Institution (Certification Marks) Regulation, 1955 shall so far as may apply in relation to the procedure of affixation of the recognised mark or seal on cycle tyres and cycle tubes.

6. Place of Inspection.—Every inspection under these rules shall be carried out either :

- (a) at the premises of the manufacturer of such products ;
- or
- (b) at the premises at which the goods are offered by the exporter provided adequate facilities for inspection exists therein.

7. Inspection Fee.—the inspection fee shall be paid by the exporter to the agency as under :

- (1) (a) for exports under inprocess quality control scheme at the rate of 0.2% of the FOB value subject to a minimum of Rs. 20 per consignment.
- (b) for exports under consignmentwise inspection at the rate of 0.4% of the FOB value subject to a minimum of Rs. 20 per consignment.
- (2) Subject to the minimum of Rs. 20 per consignment the rate payable under clauses (a) and (b) of sub-rule (1) shall be 0.18% and 0.36% of the FOB value respectively for exporters, who are registered as small scale manufacturing units with the concerned government of States or Union territories.

8. Appeal.—(1) Any person aggrieved by the refusal of the agency to issue a certificate under sub-rule (5) of rule 4 may within ten days of the receipt of the communication of such refusal by him, prefer an appeal to a panel of experts consisting of not less than three but not more than seven persons appointed for the purpose by the Central Government.

(2) A minimum of two-thirds of the total membership of the panel of experts shall be non-officials.

(3) The quorum for the panel of experts shall be three.

(4) The appeal shall be disposed off within fifteen days of its receipt.

SCHEDULE I

[See under rule 3(a)]

Every manufacturer of cycle tyres and cycle tubes shall be ensured by effecting the following controls at different stages of manufacture, preservation and packing of the product as laid down below, together with the levels of control as set out in the Schedule-II appended hereto :—

(i) Purchase and raw material control :

- (a) Purchase specifications shall be laid down by the manufacturer incorporating the properties of raw materials to be used.
- (b) The accepted consignments shall be accompanied by a supplier's test and inspection certificate corroborating the requirements of the purchase specifications in which case occasional checks shall be conducted at least once in 10 consignments by the purchaser for a particular supplier to verify the correctness of the aforesaid test or in an outside laboratory or test house.
- (c) The sampling for inspection or test to be carried out shall be based on the recorded investigation.
- (d) After the inspection or test is carried out, systematic methods shall be adopted in segregating the accepted and rejected materials and for disposal of the rejected materials.
- (e) Adequate records in respect of the aforesaid controls shall be regularly and systematically maintained by the manufacturer.

(ii) Process Control :

- (a) Detailed process specification shall be laid down by the manufacturer for different processes of manufacture.
- (b) Equipment and instrumentation facilities shall be adequate to control the process as laid down in the process specification.
- (c) Adequate records shall be maintained by the manufacturer to ensure the possibility of verifying the controls exercise during the process of manufacture.

(iii) Products Control :

- (a) The manufacturer shall have either his own testing facilities or shall have access to such testing facilities existing elsewhere to check up whether the product conforms to specification recognised under section 6 of the Act.
- (b) Sampling for test and inspection to be carried out shall be based on the recorded investigation.
- (c) Adequate records in respect of sampling and tests carried out shall be regularly and systematically maintained.
- (d) The minimum levels of control to check the products shall be as specified in Schedule-II.
- (e) The cycle tyres and cycle tubes shall be marked with nominal size, the name of the manufacturer or abbreviations or trade mark.

(iv) Preservation Control :

The product shall be well preserved both during the storage and the transit.

(v) Packing Control :

- (a) The product shall have a good presentability and sufficient strength to stand handling during transit.

(b) The following information shall be given on each package, namely :—

- (i) The nominal size, name of the manufacturer and or trade mark.
- (ii) Quantity or material ;
- (iii) Shipping mark.

SCHEDULE-II (CYCLE TYRES)

S. Requirements No.	Reference	No. of Samples	Frequency
1. Finish	Standard specification recognised for the purpose	100%	—
2. Dimensions	Standard specification recognised for the purpose.	Two of each type	Per week
3. Crown Thickness	Standard specification recognised for the purpose.	Two of each type	Per week
4. Casting strength	Standard specification recognised for the purpose	Two of each type	Per week
5. Breaking load of bead wire	Standard specification recognised for the purpose	Two of each type	Per week
6. Tensile strength of rubber compound	Standard specification recognised for the purpose.	Two of each type	Per week
7. Elongation at break of rubber compound	Standard specification recognised for the purpose.	Two of each type	Per week
8. Accelerated ageing	Standard specification recognised for the purpose.	Two of each type	Per week
(CYCLE TUBES)			
1. Finish	Standard specification recognised for the purpose.	100%	—
2. Dimensions	Standard specification recognised for the purpose.	2 tubes of each type	Per week
3. Tensile strength and elongation at break (before ageing)	Standard specification recognised for the purpose	2 tubes of each type	Per week
4. Tensile strength and elongation at break (after ageing)	Standard specification recognised for the purpose.	2 tubes of each type	Per week
5. Joint adhesion strength	Standard specification recognised for the purpose.	To be fixed on the basis of recorded investigation	—
6. Leak Test	Standard specification recognised for the purpose.	100%	—

SCHEDULE—III

1. Consignment wise Inspection :

1.1. The consignment of cycle tyres and cycle tubes shall be subject to inspection and testing to ensure conformity of the same to the standard specifications recognised under section 6 of the Act.

1.2. In the absence of specific stipulation in the contractual specifications as regards sampling criteria, the same laid down in Table given below shall become applicable.

TABLE
(SCALE OF SAMPLING)

Lot Size	No. of tyres and tubes to be selected	Permissible number of defective
(1)	(2)	(3)
Upto 500	10	0
501 to 1000	15	1
1001 to 3000	20	1
3001 to 5000	25	2
5001 to 10000	30	2
10001 to 30000	40	3
30001 to 50000	50	3

Lot—In any consignment, all the cycle tyres or tubes of the same grade, nominal size manufactured under relatively similar conditions of manufacture shall constitute a lot.

For Cycle Tyres :

1.2.1 Each of the tyres selected at random as per the Table above shall be tested for non-destructive test, namely, circumstances, section, width and crown thickness.

1.2.2 Two tyres shall be chosen at random and the required test pieces shall be taken out from the tyre for carrying out destructive test, namely, cord strength, casing strength per 25mm width breaking load at bead wire joint, tensile strength and elongation at break (both before and after ageing) etc.

For Cycle Tubes :

1.2.3 All the tubes selected at random as per Table shall be tested for dimensions and finish and leak test.

1.2.4 Two tubes shall be chosen at random and the required number of test pieces shall be taken from the tubes for destructive tests, namely, tensile strength and elongation at break (both before and after ageing) joint adhesion strength etc.

का. घा. 143 —केन्द्रीय सरकार ने, निर्यात (व्यापारी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 8 द्वारा प्रवृत्त शक्तियों का प्रयोग करते हुए सार्किल टायरों तथा सार्किल ट्यूबों के संबंध में भारतीय मानक संस्थान प्रमाणन बिजुल को मायता देने के लिए प्रस्ताव, निर्यात (व्यापारी नियंत्रण और निरीक्षण) नियम, 1964 के नियम 11 के उप-नियम (2) की अपेक्षानुसार भारत सरकार के वाणिज्य मंत्रालय की अधिसूचना सं. का. घा. 2622, तारीख 26 जुलाई, 1986 के अधीन भारत के राजपत्र, भाग-2, खंड-3, उपखंड-(ii), तारीख 26 जुलाई, 1986 में प्रकाशित किया था;

और उक्त अधिसूचना के राजपत्र में प्रकाशित होने के पैंतालीस दिन के भीतर उन सभी व्यक्तियों से आक्षेप और सुझाव मांगे गए थे, जिनके उनसे प्रभावित होने की संभावना थी;

और उक्त राजपत्र की प्रतिमां जनता को 6 अगस्त, 1986 को उपलब्ध करा दी गई थी;

और उक्त प्रस्ताव पर जनता ने कोई भी आपत्ति या सुझाव प्राप्त नहीं हुए हैं;

अतः, केंद्रीय सरकार, निम्नलिखित (क्वालिटी नियंत्रण और निरीक्षण) अधिनियम, 1963 (1963 का 22) की धारा 8 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, साईकिल टायरों तथा साईकिल ट्यूबों के संबंध में भारतीय मानक संस्थान प्रमाणन विज्ञान को यह सौंपित करने के प्रयोजन के लिए मान्यता देती है कि जहां साईकिल टायरों तथा साईकिल ट्यूबों पर ऐसे चिह्न लगाए जाते हैं या चिपकाए जाते हैं वहां वे उसको लागू होने वाले मानक विनियमों के अनुसृत समझा जाएंगे।

स्पष्टीकरण : इस आदेश में :—

- (i) "साईकिल टायरों" से साईकिल और रिक्शा में प्रयोग होने वाले ऐसे टायर अभिप्रेत हैं जिनमें दो स्टील बीड वायर, बीड रिंग तथा उपयुक्त मिश्रित रबर की धारियां सहित कोई केंद्रिक कैसिंग होगी।
- (ii) "साईकिल ट्यूबों" से साईकिल और रिक्शा में प्रयोग के लिए बनाई गई रबर की ट्यूब अभिप्रेत है जो उपयुक्त मिश्रित तथा बलकृतित किए गए प्राकृतिक और/या संश्लिष्ट रबर की बनी होगी।

S.O. 143.—Whereas the Central Government, in exercise of the powers conferred by section 8 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), published a proposal to recognise the Indian Standards Institution Certification Mark in relation to cycle tyres and cycle tubes as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964 in the Gazette of India, Part II, Section 3, Sub-section (ii) dated the 26th July, 1986 under the Notification of the Government of India in the Ministry of Commerce No. S.O. 2622 dated the 26th July, 1986.

And whereas objections and suggestions were invited from all persons likely to be affected thereby within 45 days from the date of publication of the said notification in the official Gazette.

And whereas the copies of the said Gazette were made available to the public on the 6th August, 1986.

And whereas no objections and suggestions have been received from the public on the said draft.

Now, therefore, in exercise of the power, conferred by section 8 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby recognises the Indian Standards Institution Certification Mark in relation to cycle tyres and cycle tubes for the purpose of denoting whenever cycle tyres and cycle tubes are affixed or applied with such mark, they shall be deemed to be in conformity with the standard specification applicable thereto.

EXPLANATION : In this order —

- (i) "Cycle Tyres" means tyres to be used for bicycles and rickshaws and shall consist of rubberised cord fabric casing, enclosing two steel bead wires, bead rings and tread strips of suitably compounded rubber;
- (ii) "Cycle Tubes" means rubber tubes meant for bicycles and rickshaws and shall be manufactured from natural and/or synthetic rubber suitably compounded and vulcanised.

ORDER

S.O. 144.—M/s. Bhadra Tiles Ltd., 30/1, First Cross, R.M.V. Extension, Bangalore-80, were granted an import licence No. P[CG]2102408 dated 24-7-1986 for Rs. 4,23,33,100/- (Rupees Four crores twenty three lakhs thirty three thousand and one hundred only) (DM 7497189) for import of Capital Goods machinery as per list attached for the manufacture of Ceramics Floor and Wall tiles from Italy under free foreign exchange.

2. The firm has applied for issue of duplicate copy of above mentioned licence on the ground that the original customs as well as Exchange purposes copy of licence have been lost/misplaced without having been registered with any Customs authority and utilised at all. The total amount for which the duplicate licence now required is to cover the whole amount of licence i.e. Rs. 4,23,33,160/-.

3. In support of their contention, the licensee has filed an affidavit as required in para 86 of chapter II of Hand Book of Import-Export Procedures—1985-88. I am accordingly satisfied that the original Import Licence No. P/CG/2102408 dated 24-7-1986 (both copies) have been misplaced/lost by the party. In exercise of the power conferred under Sub-clause 9 (cc) of the Import control order, 1955 dt. 7-12-1955 as amended the said original customs purposes and Exchange purposes copies of Import Licence No. P/CG/2102408 dt. 24-7-1986 issued to M/s. Bhadra Tiles Ltd., Bangalore are hereby cancelled.

4. A duplicate Import Licence (both copies) is being issued separately to the firm in lieu of original said above.

Dated, the 4th December, 1986

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the ID Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012 (241)/85 D.II(A), dated the 16th January, 1986

SCHEDULE

"Whether the grievances of Bihar Colliery Kamgar Union that the management of Lohapatti Colliery of M/s. Bharat Coking Coal Ltd. have allegedly imposed the maximum and excessive punishment of dismissal from service with effect from 21-5-85 on their workman, Shri Mahabir Manjhi No. 2 and Sanichar Manjhi, Miners Loaders, on account

of alleged misconduct of their habitual unauthorised absence from duties, are justified? If so, to what relief are the two workmen concerned entitled, if any, and from what date?"

In this case both the parties filed their respective W.S. documents etc. Thereafter the case proceeded along with its course. Ultimately on 28-11-86 both the parties appeared before me and filed a memorandum of settlement. I have gone through the terms of settlement which appears to be fair and proper. Accordingly I accept the same and pass an Award in terms of the memorandum of settlement which forms part of the Award as annexure.

JOINT COMPROMISE PETITION OF EMPLOYERS AND WORKMEN

The above mentioned employers and their workmen most respectfully beg to submit jointly as follows:—

(1) That the employers and the workmen have jointly negotiated the matter covered by the aforesaid Reference with a view to arriving at an overall and amicable settlement.

(2) That as a result of such negotiations, the employers and the workman had already come to an amicable and over all settlement of the matter on the following terms and conditions and that in terms of such terms and conditions the workmen concerned S/Shri Mahabir Manjhi No. 2 and Sanichar Manjhi had already been provided employment by the management w.e.f. 6-6-86 and they have already joined duty accordingly:—

(a) It was agreed that the management would allow the workmen to resume duty in the post of underground miner/loader in group VA in the same colliery w.e.f. 6-6-86.

(b) It was agreed that for the intervening period between the date of termination of the workman S/Shri Mahabir Manjhi No. 2 and Sanichar Manjhi earlier and the resumption of his duty from the date mentioned above will be treated as a period of leave without pay and for such intervening period they will not be entitled to any wages or other benefits except the continuity of service for the purpose of gratuity.

(c) It was agreed that this is an over all settlement in full and final settlement of all the claims of the workmen concerned/union concerned arising out of the aforesaid reference.

3. That both the parties consider that aforesaid agreements is fair just and reasonable to both the parties.

In view of the above, the employers and the workmen jointly pray that the Hon'ble Tribunal may be pleased to

give an award in terms of the aforesaid settlement/agreement and dispose of the reference accordingly.

AWARD

The present reference arises out of Order No. 1-20012/309/24-D. III(A) dated, the 22nd November, 1984, passed by the Central Government in respect of an industrial dispute between the parties mentioned above. The subject matter of the dispute has been specified in the schedule to the said order and the said schedule runs as follows :—

"Whether the action of the management of Digwadih Colliery of M/s. Tata Iron & Steel Co. Ltd., Post Office Jamadoba, Dist. Dhanbad, in dismissing from services their workmen, whose names are given in Annexure below, in October, 1983 was justified? If not, to what relief these workmen are entitled?"

ANNEXURE

1. Sri Suresh Prasad, Category I Mazdoor.
2. Sri Ali Kalam, Conveyer Khalasi.
3. Sri Ramaley, Miner.
4. Sri Upendra Singh, Miner.
5. Sri Bhola Ram, Miner.
6. Sri Rajmuni Rao, Miner.
7. Sri Harijan, Miner.
8. Sri Atique Khan, Scraper Crew.
9. Sri Kanhaiya, Pipe Mazdoor.
10. Sri Mohd. Muslim Category I Mazdoor.
11. Sri Mustakim Mia, Miner.
12. Sri Wasim Ahmed, Category I Mazdoor.
13. Sri Shah Nawaj Khan, Piece-rated Mazdoor.

2. There are 13 workmen involved in this case, out of which the dispute of nine workmen, namely, Sri Suresh Prasad, Ali Kalam, Ramaley, Upendra Singh, Rajmuni Rao, Harijan, Atique Khan Md. Muslim and Shah Nawaj Khan, had already been settled out of Court and awards had already been made on the terms and conditions laid down in the memorandum of settlement and requisite copies of the awards had also been sent to the Ministry.

3. Now, the dispute of the workmen, namely, Sri Wasim Ahmed, has been settled out of Court and a memorandum of settlement has been filed in Court. I have gone through the terms of settlement and I find them quite fair and reasonable. There is no reason why an award should not be made on the terms and conditions laid down in the memorandum of settlement. I accept it and make an award accordingly. The memorandum of settlement shall form part of the award.

4. Let a copy of this award be sent to the Ministry of Labour as required under Section 15 of the Industrial Disputes Act, 1947.

Reference No. 91 of 1984.

PARTIES :

Employers in relation to the management of Digwadih Colliery of M/s. Tata Iron & Steel Co. Ltd., P.O. Jamadoba Dist. Dhanbad.

AND

Their Workmen.

The parties involved in this dispute beg to submit as under :—

1. That the cases of the concerned 13 workmen in the present reference have been taken up by the recognised union in the establishment of the employers namely, Rashtriya Colliery Mazdoor Sangh.

A discussion between the representatives of the management and the Union was held on different occasions and finally with the Director of Collieries (J) in his office on 20-6-1986.

2. That during the discussion, it was contended by the Union that the 10 workmen out of 13 workmen in the reference were not directly involved in the assault and the circumstances were such which had led to such an untoward incident. The management has awarded punishment of dismissal to those who were directly involved in assault on the Agent of Digwadih Colliery on 2-9-1983 and also to those who were not directly involved in the same along with other charges.

3. That a long time has elapsed since the dismissal and considering the hardship which is not commensurate with the offence committed by these concerned workmen their cases should be reviewed. The Union further contended that the same punishment of dismissal should not have been awarded to both the categories mentioned above. They requested that the management should review the cases pertaining to the ten workmen as mentioned above.

4. That after a detailed discussion and considering the above contention of the union, the management decided to consider the cases of these 10 workmen in this reference who were not charge-sheeted for assaulting Shri D. N. Abrol.

5. That the cases of 10 workmen namely S/Sri Suresh Prasad, Ali Kalam Khan, Ramaley, Upendra Singh, Rajmuni Rao, Harijan, Atique Khan, Md. Muslim, Wasim Ahmad and Shah Nawaj Khan were agreed for re-instatement in service without any back wages and monetary benefits for the period they remained dismissed.

6. That out of the above 10 concerned workmen compromise petition were filed and accepted in 9 cases, except Sri Wasim Ahmad, Ex. Cat. I Mazdoor. Sri Ahmad has approached the management now and hence a compromise petition on the following terms and conditions is being filed separately in case of Sri Wasim Ahmad.

TERMS AND CONDITIONS

- (i) That the cases of Sri Kanhaiya, Ex. Pipe Mazdoor, Bhola Ram, Ex. Miner, and Mustakim, Ex. Miner the workman in this reference will not be reviewed since they have been dismissed for assaulting Sri D. N. Abrol.
- (ii) The concerned workman namely Sri Wasim Ahmad would be reinstated in service without any back wages or monetary benefits for the period he remained dismissed.
- (iii) The period for which Sri Wasim Ahmad remained dismissed will be considered as if he was on leave with or without wages as the case may be.
- (iv) The above intervening period will be treated as "dies-non".
- (v) The concerned workman after re-instatement would be provided the job in any of the Collieries of Tisco including West Bokaro but not in Digwadih Colliery. The management shall decide his placement.
- (vi) That the workman would be taken back in employment after his compromise petition is recorded by the Honourable Tribunal.
- (vii) That the workman has agreed that he will behave properly in future which has also been endorsed by the union.

7. That the parties will bear their own cost.

8. That the above terms of the settlement are fair and proper.

Under the above circumstances, the parties pray that an Award be passed in terms of the above settlement and the Reference pending before the Honourable Tribunal concerning the concerned workman kindly be treated as closed and

withdrawn, and for this the petitioners shall ever be grateful.

AWARD

The Central Government in exercising the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947, has referred this dispute for adjudication on the following Schedule :

SCHEDULE

"Whether the action on the part of the management of Tungabhadra Grammeena Bank in terminating the services of Shri B. Umeshachari, Clerical-Trainee with effect from 15-6-1982 is legal and justifiable? If not, what relief the workman is entitled to?"

2. This Tribunal has issued notices for the parties directing them to file their claim statements. In obedience the workman has filed his statement narrating his appointment training period, the transfers and ultimate termination of the services which led to raising of this dispute. When the case is posted for filing counter statement of the II party bank, both the parties have appeared before this Tribunal and filed a joint memo having compromised the matter in the terms agreed in the joint memo. This Tribunal perused the joint memo and asked the I Party workman, whether the terms contained in the joint memo has been agreed with his free-will and volition. The I Party workman informed this Tribunal, that he having thought over the matter has agreed to this settlement on his own free-will. In view of this settlement and award is passed in terms of the joint memo, which is a part and parcel of this award. There is no order as to costs.

"Whether the action of the Management of Central Bank of India, Regional Office, New Delhi in terminating the service of Shri Abhinandan Kumar Jain, a part-time clerk, at Delhi with effect from 9th July, 1974 and in not taking him in full time employment after his qualifying the recruitment test held in December, 1974 is justified? If not, to what relief is the workman concerned entitled?"

2. The salient facts are that Abhinandan Kumar Jain was appointed as part-time clerk called part-time pass book writer on 7th August, 1972 in the respondent bank on 1/3rd of the scale of wages of a clerk and the benefits of proportionate annual increments, medical aid, leave etc. in terms

of bank's circular No. 127 dated 4th June, 1971. There was hunger strike by the part-time pass book writers on 7th August, 1973 and an agreement was reached between the Management and the striking employees in terms of which the bank issued a notification dated 2nd February, 1974 for holding a written test specially meant for the part time pass book writers and the minimum qualifications for recruitment were relaxed in their favour. The employees agreed to participate in the said written test and accepted the terms mentioned therein one of which was that if they failed to qualify, the system of part-time pass book writers would be abolished in Delhi and the services of the unsuccessful candidates will stand terminated from the date of appointment of the full time hands. Accordingly a written test was held on 10th March, 1974. The workman Abhinandan Kumar Jain appeared in that test but was unsuccessful and his services were terminated w.e.f. 9th July, 1974. Thereafter the bank held another recruitment test on 29th December, 1974 for appointment of full-time clerks and the workman was permitted to sit in that test. However, the workman secured only 33 per cent marks. A note was added as a post script to the notification dated 5th December, 1974 for holding the test to the following effect :—

"According to press report a bill to provide for establishing "Banking Service Commission" for recruitment of clerks and officers in Public Sector Banks has been introduced in Lok Sabha on November 25, 1974. As stated above the provisions of this bill, when enacted, will govern the action which the Bank can take regarding the recruitment of sons/daughters of employees in reserved category and will supersede present provisions of Bank's recruitment policy under which sons/daughters of employees under the reserved category are allowed to appear for this test."

3. In the meantime the Government of India, in the department of Revenue and Banking, issued instructions suggesting the discontinuance of any special preference that may be shown to the sons and daughters of the employees of the bank in the employment of the bank as a matter of policy involving public interest. As the workman had failed to secure the minimum of 50 per cent marks for the general category of candidates, he was not given appointment as full time clerk.

4. The workman has challenged his termination dated 9th July, 1974 on the ground that he had worked for more than 240 days in the preceding calendar year which constituted one year continuous service but he had not been given any notice or wages in lieu of notice or any retrenchment compensation and, therefore, the order of termination which amounts to retrenchment is illegal and void and he has prayed for reinstatement with continuity of service and full back wages. It is the further contention of the workman that the government instructions abolishing the concessions to the sons and daughters of bank employees in the matter of recruitment were prospective in nature and as the test had already been held those instructions were not applicable to him and he should have been given the appointment on the basis of the said test.

5. The Management has contended that in the notification regarding holding of the test in March, 1974 there was no stipulation that any notice was required to be given to those candidates who failed in the special written test and as such no notice was given to the workman who was unsuccessful and no compensation was also required to be paid as his services automatically ceased on his being unsuccessful in the written test. It is further submitted that the cadre of part time pass book writers stood abolished in terms of the notification dated 2nd February, 1974 on appointment of full time clerks and therefore there was no question of reinstatement of the workman. As regards the second test held in December, 1974, it is submitted that the bank had made it clear in the notification for holding the test itself that the recruitment policy will be governed by the directions of the Government of India and the provisions of the proposed legislation for the establishment of the Banking Service Commission. In terms of the Government of India instructions the workman had failed to obtain the minimum percentage of marks required of general category and therefore, he cannot

be said to have passed the test in 1974 and to this extent the terms of the reference are defective and this Tribunal has no jurisdiction to enlarge the terms of reference.

6. The terms of reference fall into two distinct parts. The first part is whether the action of the Management in terminating the services of the workman w.e.f. 9th July, 1974 was justified. It is not disputed by the Management that the workman had worked for more than 240 days in the preceding 12 calendar months to the date of termination. No doubt in the notification in holding the written test on 2nd February, 1974 it had been stipulated that the services of the unsuccessful candidates would stand terminated from the date of appointment of the full time hands yet the termination amounted to retrenchment as held by the Hon'ble Supreme Court in the case of Santosh Gupta Vs. State Bank of Patiala 1980 II L.J. 72. in the following words:

"... We hold, as a result of our discussion that the discharge of the workman on the ground she did not pass the test, which would have enable her to be confirmed, was 'retrenchment' within the meaning of S. 2(oo) and, therefore, the requirements of S. 25F had to be complied with. The orders of the Presiding Officer, Central Government Industrial Tribunal-cum-Labour Court, New Delhi, are set aside and the appellant is directed to be reinstated with full back wages. The appellant is entitled to her costs."

7. Therefore, the bank was required to comply with the mandatory provisions of section 25-F of the I.D. Act, Ordinarily if the post of part-time pass book writers had been in existence, the workman would have been entitled to the relief of reinstatement with continuity of service and full back wages. However, the cadre of part-time pass book writers has since been abolished, and, therefore, the question of reinstatement in the post of part time pass book writers, which the workman was holding, does not arise and he is therefore, only entitled to compensation which is the present case is determined at Rs. 5000 in lump sum. The Management shall pay this amount to the workman within one month of the enforcement of the award failing which it shall be liable to pay interest at 12 per cent from the date of enforcement of the award till actual payment.

8. The second part of the reference is whether the action of the Management in not taking the workman concerned in full time employment after his qualifying the recruitment test held in December 1974 is justified. There is substance in the contention of the Management that this part of the terms of reference is not happily worded and it presumes that the workman had qualified in the recruitment test held in December, 1974 whereas the position is that he had not qualified in the said test. In the first instance, it was amply made clear in the notification dated 5th December, 1974 that "the policy regarding concessions in the matter of recruitment to the sons and daughters of bank employees will become ineffective if at a later date there is any statute or other directive from the government which debars any special recruitment in Reserved category and consequently makes the panel redundant." Shri Tara Chand Gupta I.d. representative of the workman has referred to Government of India Department of Revenue and Banking letter dated 19th April, 1976 and the orders of the Hon'ble High Court of Delhi dated 27th July 1976 and contended that the decisions regarding abolition of the concessions to the sons and daughters of the bank employees was to be applied prospectively and would not affect the candidates who participated in the test held in December, 1974. This contention is unacceptable as being without any force, because as pointed out, it had been made clear in the notification for holding the test itself, that the panel would become redundant if there is any statute or other directive from the government which debars any special recruitment in the reserve category. It is also pertinent to note that in the letter dated 19th April, 1976 of the Government of India Department of Revenue and Banking, there is a reference to an earlier letter dated 25th March, 1974 from the Secretary, Banking to the Chairman of All Public Sector Banks wherein it had been suggested to the banks to discontinue any special preference that may be shown to the sons and daughters of the employees of the bank in the employment of the banks as a matter of policy

involving public interest. Further a reference was made to the judgment of the Hon'ble Supreme Court in the cases involving the O.N.G.C., L.I.C., I.P.C.D. and their respective employees, in which the Hon'ble Supreme Court had held that statutory corporations are authorities under Article 12 of the Constitution and their employees are entitled to protection of Article 14 and 16 of the Constitution and in view of this judgment any preference to the relatives of the employees in the recruitment in banks would be unconstitutional". It is therefore, clear that the government of India had issued instructions much earlier to the holding of the test and the concessions to the reserve category of sons and daughters of the employees could not be continued. The bank has followed the instructions issued by the Government of India in public interest. Otherwise also the policy of special concessions to the sons and daughters of bank employees is clearly unconstitutional and in public interest, the action of the bank must be upheld. In the circumstances, it cannot be said that the workman had qualified in the test held in December, 1974 and, therefore, he could not have been taken in full time employment, on the basis of his performance in the test. Hence this part of the reference is answered against the workman and in favour of the Management.

9. The reference is disposed of accordingly.

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under section 10(1)(d) the ID. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(18)/85-D.III(A), dated, the 15th April, 1985.

SCHEDULE

"Whether the demand of United Coal Workers' Union that the management of Bhowra (South) Colliery of Messrs. Bharat Coking Coal Limited should give supervisory Grade and pay difference of wages to Shri Gulab Chand Pasi, who was engaged for training other workman at the Vocational Training Centre, Bhowra, is justified? If so, to what relief is this workman entitled and from what date?"

The case of the workmen is that the concerned workman Shri Gulab Chand Pasi was appointed as Drill coal loader on 1-4-60 in Bhowra (S) Colliery and was a permanent workman. In 1980 the management selected him and sent him for training in Poland for "Long Wall Face equipment in use". After his return from abroad he was posted at Vocational Training (hereinafter referred to as VTC for brevity) Centre, Bhowra as a Trainer with effect

from 21-5-81.—Although he was posted as a trainer his appropriate rate of wages was not decided by the management for which he made a representation before the management. The management did not decide the matter. He again made representation on 30-4-84 to the General Manager, Bhowra Area and requested to place him in appropriate category and rate of wages. The post in which the concerned workman was performing his duties is a post of higher technical and supervisory grade and he should have been placed in Grade-B of Technical and supervisory grade. But the management denied the said grade to him. As no relief was given to the concerned workman by the management, an industrial dispute was raised before the ALC(C), Dhanbad by his union and thereafter on failure of the conciliation proceeding the present reference was made to this Tribunal for adjudication. The demand is that the concerned workman should be placed in Technical and supervisory Grade-B with effect from 21-5-81 with consequential effect.

The case of the management is that there is no industrial dispute in the present case in the eye of law in as much as no demand was made on the management, nor any dispute was raised directly to the management by workmen in regard to the matter covered by the present reference. The case of the management further is that the concerned workman was initially employed in Bhowra South colliery as as Drill Coal Loader (piece rated loader). He was sent abroad for training in Poland for 6 weeks during January and February, 1981. During the training he had the opportunity to study and practice the operation and maintenance of long wall face equipment in use in Poland. After his return to India the concerned workman was posted in vocational training centre as trainer helper where training is given to the workers under the mines vocational training rules. His group wages were protected after his posting in the VTC and he was getting much higher wages than what was admissible during the actual job done in the VTC. The work of trainer helper is semi skilled job attracting daily rated Cat. II wages. Bhowra South colliery has no long wall working at all and there is no question of any worker being trained for working in long wall mines in Bhowra(S) Colliery. The said colliery is worked by conventional method of board and pillar as in the case of other collieries. The concerned workman cannot claim any higher wages than what was actually being paid by him in daily rated Cat. II as per nature of job performed by him in VTC as trainer helper. There is no duty of any supervisory post in the vocational training centre and as such there is no question of the concerned workman discharging any duties of any supervisory post. The VTC has instructor possessing statutory qualifications of an Overman. The concerned workman does not possess any such qualification. The concerned workman had neither the qualification nor the experience to impart training in the VTC. The training in the VTC is primarily safety oriented and the training is not intended for imparting any special skill to the workers in the performance of their duties. The VTC in Bhowra(S) colliery has statutory qualified trainer and there is absolutely no need of the workman to function as a trainer. It is submitted on behalf of management that the demand of the sponsoring union is misconceived, untenable and without any substance and therefore liable to be rejected.

The only point to be determined in this case is whether the concerned workman is entitled to the Supervisory Grade and difference of wages.

The workmen have examined two witnesses and the management have examined one witness in support of their respective cases. The workmen have further exhibited some documents which are marked Ext. W-1 to M-5. No document has been filed on behalf of the management.

The admitted facts in the case are that the concerned workman was first appointed as a drill coal loader in 1960 in Bhowra(S) Colliery and he was a permanent employee. It is also admitted that in 1981 the concerned workman was selected for training in Poland during the month of January and February, 1981 where the concerned workman undertook training and had the opportunity to study and practice the operation and maintenance of long wall face equipment in use at Poland. It is further admitted that after the return of the concerned workman from Poland he was posted in Vocational Training Central

Bhowra. The case of the concerned workman is that he was appointed as a trainer in VTC. Bhowra for training other workmen whereas the case of the management is that the concerned workman was appointed as trainer helper. The answer to the said dispute can be resolved from the perusal of Ext. W-2 and W-3. Ext. W-2 is an office order dated 16/18-9-81 issued by the manager of Bhowra(S) Colliery which shows that the concerned workman was provisionally posted at VTC, Bhowra to train other workmen which was a temporary assignment pending finalisation of the issue from the headquarters. The concerned workman was directed to report for duty to the VTC, Bhowra with immediate effect. W-3 is a letter dated 11/18-12-82 issued by the Manager, Bhowra(S) colliery wherein it is stated that the concerned workman was provisionally posted in VTC Bhowra to train the workmen and that the attendance of the concerned workman may be continued in VTC till further decision. It will thus be clear from Ext. W-2 and W-3 which are documents issued by the Manager, Bhowra(S) colliery that the concerned workman was posted at VTC Bhowra to train other workmen. There is no mention that the concerned workman was being posted at the VTC to help the trainer.

WW-1 Shri R. S. Sinha is working in Bhowra Vocational Training Centre as Instructor. He has stated that the concerned workman had been sent to Poland by BCCL for training in Mining mechanisation and that after his return from training from Poland, he joined Jaigora V.T.C. and from there he was transferred to Bhowra V.T.C. on 1-8-81. He has stated that the concerned workman used to give training to the workers at Bhowra V.T.C. and this witness had seen him giving training at Bhowra Centre and also in the underground. WW-2 is the concerned workman who has stated that after his return from training from Poland he was posted in V.T.C. at Bhowra to train the workers. He was stated that V.T.C. is situated on the surface and he was giving training to the workmen on the surface and also in the underground mines. He has stated that he was getting the wages of Cat-I mazdoor and he had applied to the management for fixation of his pay in the appropriate scale. Ext. W-5 is the copy of his application dated 30-4-84, the original of which was sent to the management. On perusal of Ext. W-5 it appears that the original was received by the management and the person receiving the original had signed and given the date on Ext. W-5. It will appear from Ext. W-5 that the concerned workman had made a demand for higher category and wages as he was posted as a trainer at V.T.C. Bhowra with effect from 21-5-81. There is no evidence to show that the concerned workman had not made his demand vide his application dated 30-4-84 to the management. I hold therefore that the concerned workman had made a demand for his appropriate grade and wages for the post of trainer in Bhowra V.T.C. MW-1 Shri K. C. Sinha is working as Area Training Officer in Bhowra Area of BCCL. He has stated that the concerned workman is working at present as trainer helper at Bhowra V.T.C. He has further stated that the concerned workman never worked as a trainer in Bhowra area and that he has not the qualification for giving training under the V.T.C. rules as he has not attended 6 lectures in D.G.M.S. for functioning as trainer but the evidence of MW-1 is belied by the management office order Ext. W-2 and W-3 which shows that the concerned workman was posted at V.T.C. Bhowra to give training to the workmen. Ext. W-4 dt. 24/25-4-85 is an office order under the signature of the personnel Manager Bhowra area which shows that the concerned workman who was working at V.T.C. Bhowra was placed in Cat. II with effect from the date he was regularised in Cat. I and henceforth he was to be designated as a trainer helper. Ext. W-4 does not deny that the concerned workman was not engaged as trainer in V.T.C. It only shows that after the issuance of the office order the concerned workman will be designated as trainer helper. MW-1 had stated in his evidence that at present the concerned workman is a trainer helper at Bhowra V.T.C. and this statement may probably be on the basis of Ext. W-4 but MW-1 has not explained the office order Ext. W-2 and W-3 where it is clearly stated that the concerned workman was posted at V.T.C. Bhowra to train other workmen. Considering all the evidence it is clear that the concerned workman had been posted at V.T.C. Bhowra to train the workers.

It appears that V.T.C. imparts two types of training. Theoretical training is given by the V.T.C. instructor at the V.T.C. and the said theoretical training is followed by practical training in the underground mining which is given by the trainer qualified for it. MW-1 at page 4 of his deposition has stated that the trainees are given training in V.T.C. and also in the underground mines. He has stated that the theoretical training is given by the instructor and the job training is given by the trainer who are qualified as trainer. The case of the workmen is that the trainers used to give theoretical training at the V.T.C. and that the practical training was given by the concerned workman in the underground mines. Under Section 58 of the Mines Act the Government has framed rules which is known as Mines Vocational Training Rules, 1966. Rule 6 provides that every person proposed to be employed in a mine on the surface or in open cast workings shall before he is so employed undergo a course of theoretical gallery training as specified in the first schedule. It further provides that the Chief Inspector of Mines by notification specify every person proposed to be employed shall before he is so employed to undergo a further course of practical training of actual operation for a period of not less than 6 working days. It also provides that every person proposed to be employed below ground in a mine shall before he is so employed undergo a course of theoretical and gallery training as specified in second schedule and a further course of practical training on actual operation for a period of not less than 12 working days. Rule 22 provides that for the purpose of practical training referred to in Rule 6 every person to be employed in a mine shall be placed under the direct personnel supervision of an experienced workmen of an appropriate category, employed on operation hereafter referred to as the trainer. Rule 23 provides the qualification of trainer. It provides that no person shall function as trainer unless he has attended not less than six lectures on safety in mines as may be specified for the purpose and approved by the Chief Inspector. It further provides that the trainer shall be selected from amongst the persons who in the opinion of the owner Agent or manager of the mine are safety minded skilled and experienced workmen who have an aptitude for giving guidance and practical training to other persons. It will thus appear that under the rules trainer cannot be appointed unless he has attended not less than 6 lectures in safety in mines as specified by the Chief Inspector. Admittedly the concerned workman has not attended those 6 lectures in safety in mines to become a trainer as required under rule 23 of the Mines Vocational Training rules WW-1 has stated that there were 3 V.T.C. in Bhowra in which there are instructors who are qualified overman. He has stated that the concerned workman does not possess the qualification according to the rules and that the trainers must have qualification according to the rules. He has also stated that the training in V.T.C. is about the safety in the mines. The workman WW-2 has stated that he has not passed the examination held by the D.G.M.S. in respect of the 6 lectures as laid down in the mines vocational rules. He has stated that the instructors possessing overman certificate but the concerned workman has no overman certificate. Ext. W-1 dated 13-2-81 is the certificate issued regarding the training which the concerned workman got at Poland. The said certificate does not show that he had those qualifications which are required for trainers under rule 23 of the Mines Vocational Training Rules. From the above evidence it will appear that the instructor giving training to the workmen in Bhowra V.T.C. are all qualified overmen and as such they are in Technical and Supervisory Grade-B or in Grade-A. The concerned workman is neither a qualified overman nor has attended 6 lectures in the safety in mines and as such he has not the qualification for the post of Trainer and as such the concerned workman cannot be placed in Technical and Supervisory Grade-A or Grade-B to which the instructors being qualified overman are placed. The evidence further shows that the concerned workman is working in V.T.C. Bhowra and is giving training to the workmen in the underground mines. The management has not been able to explain the actual duties being performed by the concerned workman except showing that the concerned workman was working as a trainer helper. The fact which has emerged from the evidence of WW-1 and the two documents Ext. W-2 and W-3 is that the concerned workman is actually

giving practical training to the workmen in the underground mines although he has not the qualification of a trainer. It is no doubt clear that the concerned workman being not qualified as other instructor working in V.T.C., was in fact giving training to the workmen and as such he cannot get technical and supervisory Grade-A or B but as the management has employed him to work as trainer in the V.T.C. he must get a grade lower to the grade of other instructors of the V.T.C. in the Technical and Supervisory Grade. I am of the opinion that as the concerned workman has been engaged to give training to the workmen he should be given Technical and Supervisory Grade-C.

Although it is stated in the W.S. of the workmen that the concerned workman is working as a trainer in V.T.C. Bhowra since 21-5-81 there is no document to show that the concerned workman was working as a Trainer from the alleged date. WW-1 has stated that the concerned workman was working in Bhowra V.T.C. from 18-8-81. Ext. W-2 shows that the concerned workman was posted at V.T.C. Bhowra to train other workmen with effect from 8-9-81. Accordingly, the concerned workman who was posted for training other workmen at V.T.C. Bhowra with effect from 18-9-81 is entitled to the difference of wages from the said date.

In the result, I hold that the demand of the union that the management of Bhowra (South) Colliery of M/s. BCCL should give supervisory Grade and pay difference of wages to the concerned workman Gulab Chand Passi who was engaged for training other workmen at V.T.C. Bhowra is justified. The management is directed to give Technical and Supervisory Grade-C with effect from 18-9-81 and should also pay the difference of wages to the concerned workman from the said date.

This is my Award.

New Delhi, the 8th January, 1987

S.O. 153.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal Hyderabad, as shown in the Annexure, in the industrial dispute between the management of Singareni Collieries Company Limited, Godavari Khani, Ramagundam Division-III, Karimnagar Distt. Andhra Pradesh and their workmen, which was received by the Central Government on the 19th December, 1986.

ANNEXURE

BEFORE THE INDUSTRIAL TRIBUNAL (CENTRAL) AT HYDERABAD

Industrial Dispute No. 24 of 1986

BETWEEN

The Workmen of Singareni Collieries Company Limited,
Godavari Khani, Ramagundam Division-III, Karimnagar District, A.P.

AND

The Management of Singareni Collieries Company Limited, Godavarikhani, Ramagundam Division-III, Karimnagar Dist. Andhra Pradesh.

APPEARANCES :

Sri G. Bikshapathi and Sri G. Vidyasagar, Advocates—
for the Workmen.

None—for the Management.

AWARD

The Government of India, Ministry of Labour by its Order No. L-22012/98/83-D.III (B) dated 10-6-1986 referred the following dispute under Section 10(1)(d) of the Industrial Disputes Act, 1947 between the employer in relation to the Management of M/s. Singareni Collieries Company Limited, Godavari Khani, Ramagundam Division III and their Workmen to this Tribunal for adjudication :

"Whether the action of M/s. Singareni Collieries Company Limited, Godavari Khani, Ramagundam Division-III (Andhra Pradesh) in dismissing the following workmen from service is justified? If not, to what relief these workmen are entitled?"

1. Sri Chella Sariah, Ex-Conveyor Khalasi, GDK No. 7 Incline.
2. Sri Gaddam Mallaiiah, Ex-Coal Filler, GDK No. 7 Incline.
3. Sri Godisela Lingaiiah, Ex-Coal Filler, GDK No. 7 Incline".

2. The three workmen in this reference filed three separate claims statement individually. It is mentioned by Chella Sariah that he is a member of A.P. Colliery Mazdoor Sangh, Godavarikhani and he was appointed as badli filler in the year 1973. According to him he was promoted as Conveyor Khalasi in the year 1975 and the said workman was working in 7 Incline since 1982. It is also his case that there are other Unions existing in Singareni Collieries such as INTUC, AITUC and that he is a member of A.P. Colliery Mazdoor Sangh affiliated to INTUC. According to him he performed his first shift duties from 7.00 hours to 15.00 hours on 2-6-1982 and on 3-6-1982 he had rest and therefore he did not attend the Pit. It is his case that the workers in the 7 Incline was not satisfied with the service conditions and the Management was extracting work in an arbitrary and illegal manner. According to him the Management on 1-6-1982 handed over three mine workers working in the 7 Incline to the Police alleging that they stopped some workers at the time of taking the musters. The workers became restless and frustrated. On this move of the Management. He further mentioned that on 2-6-1982 all the workers went on strike from 11.00 p.m. onwards and the strike continued till nearly for seven days. It is his case that he went for duty as usual on 4-6-1982 and found that all the workers were on strike and Overman who operated A.M. 50 Machine with the help of newly recruited trainees were there. It is his case that all the workers objected for such operation by the unskilled and untrained persons operating AM-50 machine which is a sophisticated machinery as the machine requires operation by experienced and highly skilled persons. The petitioner was in the group of workmen and he neither used any harsh words nor behaved in an insubordinate manner there were 600 to 700 workmen and it is hardly possible for the Petitioner to take lead in this group. For such a situation when all the workmen were on strike on 2-6-1982 onwards the question of instigation by the petitioners to strike does not arise.

3. It is his case that on 5th June 1982 was closed holiday for the Pit and from 5th to 9th the Petitioner reported sick and under treatment at the Colliery Hospital and on 10-11-1982 the strike was called off and the Petitioner joined duty. According to him he was issued a charge sheet on 15-6-1982 stating that he instigated the Conveyor Khalasis to go on strike and behaved indecently with Ch. Rama Rao and he denied the same. According to him as per the second charge he attended the duty on 4-6-1982 and by the time all the workers were already on strike and therefore the question of instigating the workers did not arise. According

to him the workers of 6 Incline were also on strike on 4-6-1982. He further mentioned that third and fourth charges relate to instigation of workers of 6th and 7th June 1982 but he was under medical treatment. He was not at all present in the Mine. Therefore the charge is also liable to be set aside. It is also his case that all other charges are mere reproduction of the allegations in these charges and there are no merits. He mentioned that he received on 17-6-1982 to the charge sheet and without considering the said explanation the enquiry was conducted and he was not allowed any assistance during the enquiry. It was also his case that he was denied opportunity at every stage and finally dismissed from service by an order dated 9-9-1982 and when he filed a writ petition, the High Court passed the order directing him to proceed under the matter and thus he raised industrial dispute through conciliation machinery and the Government declined to refer the matter for adjudication. There upon he filed a Writ Petition once again before the High Court challenging the action of the Government in refusing to make a reference and the writ was allowed by the High Court on 12-12-1985. He prayed that the enquiry and the consequent order of dismissal are illegal and invalid as mentioned in the grounds and he wanted that an Award be passed directing the Management to reinstate him with full back wages and other attendant benefits.

4. The other Workmen Gaddam Mallaiiah mentioned that he is working as Coal Filler in the 7th Incline of the Respondent-Company and he was permanent employee having put in considerable years of service. According to him he is not an office bearer of any Union. While so on 20-5-1982 when he was working in the 7th Incline in the second shift from 3.00 to 11.00 p.m. there was strike in the said Incline. It is his case that without caring the strike call given by the Union and other workers he reported on 20-5-1982 at 3.00 p.m. after signing the register. He was about to enter into the Mipe the number of workers who were already on strike on the surface forcibly took the petitioner to join the striking group and thus the petitioner was physically prevented by striking workmen in not attending the duties. It is his case that he did not join the striking worker. Finally the Management gave a charge sheet dated 20-5-1982 alleging that he joined G. Lingaiiah and participated in the illegal strike. He denied the same, the enquiry was ordered in June 1982. It is his case that the enquiry was conducted in a most unfair manner and he was ultimately dismissed from service on 18-11-1982. Therefore he also filed similar writ petition and finally as per the direction of the High Court the reference was made by the Government to this Tribunal for adjudication. It is his request that the dismissal order dated 18-11-1982 was an empty ritual and the same should be liable to be set aside. It is also his case that the complaint filed by the Respondent against him in C.C. No. 604/82 ended in acquittal and the punishment of dismissal is highly disproportionate and excessive and arbitrary. So he wanted this Tribunal to pass an order directing the management to reinstate him into service with full back wages and other attendant benefits.

5. The third workman Gudisela Lingaiiah mentioned that he is also a workman working as Coal Filler since 1972 and on 20-5-1982 he was working in the second shift from 3.00 p.m. to 11.00 p.m. and that there was strike in the said Incline. His averments are similar to the averments of Gaddam Mallaiiah. It is also his case that he was dismissed by a dismissal order dated 17-11-1982 and that the said order is only an empty ritual and that he was not given any opportunity, and the same is without jurisdiction. According to him the Chief Mining Engineer who passed the dismissed order is not empowered under the Standing Orders and that Divisional Superintendent of the Respondent Company who is competent to exercise powers of disciplinary authority did not do so. It is also his case that he was acquitted in the criminal case filed by the Management and thus mentioned that the said order of dismissal is incompetent and unjustified and wanted the Tribunal to pass an award in reinstating him with back wages and other attendant benefits.

6. When the matter was referred by the Government in the said circumstances with reference to three persons in single reference the same was registered as Industrial Dispute No. 24 of 1986 on 24-6-1986 and the matter is posted for their presence on 22-7-1986. Notices received by both

parties namely Management and the Workers. For Workers Sri G. Bhashapathi ordered to file vakalat and claim statement and the workers finally filed vakalat and claims statement on 12-8-1986 to which date the matter stands posted. The Management counsel and their representative were called absent no counter is filed. So far the sake of Management further extension of time was granted to 23-9-1986. The counsel for the workmen mentioned that the management is already given two months time to come on record and oppose the same. Still to give a fair and reasonable opportunity to the Management a last and final chance is given to the Management to file a counter, if any, and the matter is posted to 22-10-1986.

7. On 22-10-1982 the Management sent a memo through post stating that the matter should be deferred in view of the petition filed in I. D. No. 41 of 1985. On the other hand Sri Vidyasagar, Advocate along with the workman Chella Sariaiah was present and ready and objected to the said memo which is registered in M.P. No. 373/86. It is mentioned by Shri Vidyasagar that the High Court disposed the matter in W.P.M.P. No. 15951/86 in W.P. No. 12225/86 that the matter should be proceeded with in the case and decide the matter within a period of six months and moreover I.D. No. 41 of 1985 had nothing to do with I.D. No. 24/86. He mentioned that it had no relevance to this case. As already observed in M.P. No. 278/86 dated 4-9-1986 and also in the light of the orders in M.P. No. 15951/86 in W.P. No. 12225/86 there is no case for deferring this matter.

8. After passing the order to that effect, the Management is given another opportunity till 10-11-1986 to file the counter if any, in the matter. Thus the Management is given nearly four months time to file counter and the Management having acknowledged the notice of the reference to this Tribunal took four months time and also having knowledge of the proceedings that M.P. No. 373/86 was dismissed was determined not to file counter for the reasons best known to themselves and also did not make any representation. Sri Vidyasagar for the Workmen was present and produced the witness also and he filed the Memo to that effect. In the given circumstances the Management's right to file counter and their right to adduce evidence was forfeited as there was no representation even after four months and they were set exparte.

9. With this order again the matter is adjourned to 21-11-1986 with a fond hope that the management at least will open their eyes and come forward with any statement in the matter by way of counter and seek time. The General Manager of Ramagundam Area II who filed M.P. No. 373/86 cannot be held to be ignorant of the proceedings when the notice was served about filing of I. D. and also when he filed M.F. No. 373 of 1986 which was rejected. Thus after full five months after the matter was registered and four months after the matter was served when the Management did not file any counter with all this fair and reasonable opportunity given to them and when they did not come forward to have the matter to set aside the exparte orders also; and when the workers counsel was present and ready with their workers and having seen that the workers were ready from 22-10-1986 and they were ready to adduce their evidence and opposing adjournments, the Tribunal was constrained to proceed further and the evidence of WW-1 to WW-3 were examined and Ex. W-1 to W-9 were marked and the arguments for the workmen were heard and in the given circumstances it is reserved for award as the management was already called absent.

10. WW-1 denied the allegations in the charge sheet and contended that he had nothing to do with the strike either directly or indirectly and therefore the charge sheet dated 15-6-1982 under Ex. W-1 and the allegations therein are all false. It is his case that he had no connection whatsoever made in the allegation therein. According to him on 3-6-1982 he never met the said Ch. Rama Rao Overman and he denied that he instigated the workers for going into strike in the second shift. According to him he was never a leader or member of any Union. He denied the allegation that he ever lead a group of workers of 7th Incline to G.D.K. 6th Incline and instigated the workers to go on strike. He also denied that he went to GDK 7 Incline and instigated or threatened any workers to go on an illegal strike. He marked

the explanation given by him as Ex. W-2. According to him as per Ex. W-3 he was dismissed, and after his dismissal he sought for conciliation machinery. He came to this Tribunal. According to him he originally filed W.P. No. 8812 of 1982 and he was directed to exhaust their remedy under the Industrial Disputes Act and then when he moved conciliation authorities the Government refused to refer the matter whereupon he filed W.P. No. 14643 of 1984 and it was allowed on 12-12-1985 consequently the Government made the present reference to this Tribunal. According to him all the charges levelled against him are false and fabricated. It is also his case that criminal case against him ended in acquittal as per Ex. W-4. It is also his case that he had no alternate employment anywhere after his dismissal and that he was unemployed even now. He wanted that he should be reinstated with full back wages. According to him the Management did not file any counter even after number of adjournments as there was no case to contest against him. It is his case that due to unemployment, starvation and suffering and he wanted justice.

11. WW-2 is Gaddam Malliah. He also deposed in similar manner as mentioned in his claims statement and further stated that he is a marksman and marked charge sheet Ex. W-5 and the dismissal order Ex. W-6 dated 17-11-1982. According to him both himself and Gudisela Lingiah was charge sheeted under Ex. W-7 in a criminal Court and the same would show that it ended in acquittal. He also explained how he was forced to file Writ Petition ultimately making the conciliation authority to refer the matter. According to him all the charges levelled against him are false and fabricated. He is innocent and the management did not file counter even after number of adjournments and it is his case that he is unemployed, starving and suffering and seeks justice.

12. WW-3 also mentioned that he had nothing to do with any Trade Union movement and he was unnecessary charge sheeted under Ex. W-8 and that the same is false and fabricated and that he is innocent. He denied that he was party to the said incident. According to him he put his thumb impression in the Muster rolls as well as in other registers also and he did not instigate anybody. It is his case that he was dismissed on 17-11-1982 as per Ex. W-9 and corroborated the fact that he and G. Malliah were acquitted under Ex. W-7. He also mentioned that he is unemployed since time of dismissal and the charges levelled against him are false and fabricated and he is innocent. He sought for reinstatement with full back wages and other attendant benefits. Therefore it is a fair case where his case should be conceded and orders should be passed as he was unemployed, starving and suffering and seeks justice.

13. The admitted facts of the case is that all these three workmen Chella Sariaiah, Gaddam Malliah and Gudisela Lingiah are workmen working at Godavari Khani, Chella Sariaiah was working as Conveyor Khalasi in 7th Incline while G. Malliah was working as Coal Filler in 7th Incline while G. Lingiah was working as Coal Filler in 7th Incline. Chella Sariaiah was dismissed by an order dated 9-9-1982 while G. Malliah was dismissed from service from 18-11-1982 and G. Lingiah was dismissed from service with effect from 17-11-1982. Under Ex. W-1 is the charge sheet given to Sariaiah. It is stated that he participated in the illegal strike from the first shift of 3-6-1982 and that instigated other workers also to continue the strike and questioned Ch. Rama Rao, Overman how he worked on A.M. 50 machines without conveyor khalasi who were on strike. It is found in the charge sheet that the said Sariaiah shouted at him and behaved indecently with him and created a scene at the pit mouth. It is also alleged that he led a group of workers and also instigated others to continue the strike and thus there was an enquiry conducted also. Similarly of course the explanation given by him is that he is not liable for any of those charge sheets which is marked as Ex. W-2 the case which is filed in C.C. No. 602/83 against him that he was acquitted also as per Ex. W-4. Of course the dismissed order is marked as Ex. W-3 showing that he was dismissed from service from 15-9-1982. In the case of Ch. Malliah also there was a charge on 20-5-1982 that he suddenly got excited and started shouting at the Manway drawing every one's attention and instigated all coal fillers to struck work and that he

participated in the illegal strike on 20-5-1982 and that he along with others incited and instigated other workers to stop Colliery Manager from leaving the premises and barricaded the way of the car and scooters at the main gate. This was denied by him under Ex. W-6. It is found that he as well as G. Lingiah was charge sheeted along with Kate Kondiah and all were acquitted holding that the Management failed to establish the guilt of the accused beyond the reasonable doubt for the same offence after contested order which is marked as Ex. W-7. Ex. W-8 is the charge sheet with reference to G. Lingiah and the explanation given by him is marked as Ex. W-9 and of course he denied the same and Ex. W-7 is the common judgement for both G. Lingiah and G. Mallaiah showing that they were clearly acquitted for the same offences. There is oral evidence also corroborating the material papers showing that they were innocent and that they did not belong to any Union and that they were not active office bearers of any particular union and that allegation that among hundreds of workers that they have taken leading part either in the strike and that they were directly responsible for the strike was incorrect. The management after receiving notice did not file documents to show that an enquiry was conducted by them and the witnesses examined as well as the opportunity given at least to be verified by the Tribunal. The explanations filed by them would show that these three workers were innocent and that they were not active office bearers of any particular union. There is no counter filed also. Further the judgement filed under Exs. W-7 and W-4 would show that these delinquent workmen who were acquitted for the same charges when preliminary case was filed before the Magistrate. Though the acquittal by itself will not cloth the workers with special rights but the Management should come forward to substantiate that they have conducted the domestic enquiry and also gave fair opportunity and prove the charges levelled against these workers in accordance with law. When these facts are not placed before this Tribunal even after the clear direction in the very reference that both parties should exchange their records and the workers should file their statement within 15 days with relevant documents and within 15 days after the receipt of the reference and also forward the copy of such statement to each opposite party involved in the dispute and when the same is complied and when such notice was served upon the management and when the management refused to comply with the directions in the reference having received such a reference, the Tribunal is left with no option except to pass an order setting them ex parte after giving six months from the date of reference and five months after service of notice to the Management. In fact the reference itself made it clear that the Tribunal shall submit its award in the said dispute within a period of three months in accordance with Sub-Section 2-A of Section 10 of the said Act. Thus when there is such a direction in the reference itself and when the Management is given more than three months to come forward with their counter statement and also records and when they failed to do so and when the workers and their counsel were ready on the basis of available evidence the matter was decided on merits and I find that the charges made against any one of these workers either under Ex. W-1 or under Ex. W-8 or under Ex. W-5 were not based upon any proof that they were responsible for the strike or that they instigated the other workers to strike work on any of the dates mentioned as alleged against them in the respective charges. So I have no hesitation to hold on the basis of Exs. W-1 to W-9 as well as oral evidence of WW-1 to WW-3 that the action of the Management in dismissing three workmen from service on the respective dates mentioned in their dismissal orders are not justified and that those three workmen are entitled for reinstatement with full back wages and other attendant benefits.

Award is passed accordingly.

Dictated to the Stenographers, transcribed by him, corrected by me and given under my hand and the seal of this Tribunal, this the 2nd day of December, 1986.

AWARD

The Central Government in the Ministry of Labour, vide its Notification No. L-42011(34)/79-D.II(B), dated 26-9-80 has referred the following industrial dispute to this Tribunal for adjudication :

"Whether the action of the Management of Food Corporation of India, Regional Office, Lucknow, in not treating the direct payment system employees at Hapur and Hardwaganj as their employees and depriving them from the benefit of payment of wages and other benefits of service conditions which have been given for similar work to the employees at Kanpur, Lucknow, Varanasi and Allahabad is fair, just and legal, if not, to what relief the concerned workmen are entitled ?"

2. The Food Corporation of India was formed by an Act of Parliament, having for its business, the purchase, storage, movement, transport, distribution and sale of foodgrains and other food stuffs, and for matters connected therewith and incidental thereto. For performance of the functions, the corporation has to set up godowns/depots and other storage facilities and to engage labour for handling foodgrains at the godown and in transit. The corporation adopted different methods at different places for employing labour for handling foodgrains. Thus at Kanpur, Lucknow, Varanasi and Allahabad a system known as the departmentalised labour has been employed whereas at Hapur and Hardwaganj a system which is called direct payment labour is being used. While the departmentalised labour is paid wages and other fringe benefits like O.T., Leave, Holidays etc. the so called direct paid labour at Hapur and Hardwaganj are not being given the same wages and other fringe benefits. The difference of wages and other fringe benefits being paid to these two categories of workmen are reflected in the following statement :

	Departmentalised Handling Mazdoors (Lucknow, Allahabad, Varanasi and Kanpur Food Storage Depots).	Direct paid Handling Mazdoors (Hapur and Hard- waganj Food Storage Depots)
(a) Scale of Pay	(i) Sardar Rs. 275-5-300-8-340 (ii) Monda Rs. 225-4-265-7-300 (iii) Loader Rs. 210-4-230-7-6-290 (Handling Labour) (iv) Ancillary worker Rs. 200-3-215-5-265.	None exist
(b) Guaranteed Minimum Wage per month	At the rate of 21 days plus 4/5 days weekly off day plus Attendance Allowance @ Rs. 1/75 per day per worker for 5/6 days.	None exist

(c) Piece rate (by way of incentive)	Rs. 200/- to Rs. 300/- per month	Rs. 50/- to Rs. 100 (on the basis of the rate fixed by Fed.)
(d) Additional Dearness Allowance	Rs. 1.30 per point for rise in consumer price Index (1960=100) beyond 200 points	None exist
(e) City Compensatory Allowance	7-1/- % of Basic Pay per month for workers of Lucknow and Kanpur Depots and 5% of Basic Pay per month for workers of Varanasi and Allahabad depots.	None exist
(f) House Rent Allowance	8 % of Basic Pay per month.	None exist
(g) Ex-gratia in lieu of Bonus.	8.33% of wages	8.33% wages.

3. In short, while the annual earning of departmentalised handling Mazdoors at Lucknow, Allahabad, Varanasi and Kanpur comes to over Rs. 12000, that of their counter parts at Hapur and Hardwaganj comes to only about Rs. 1200.

4. The case of the F.C.I. Workers Union (hereinafter referred to as the Union) is that the work performed by the handling mazdoors under the system of departmentalised labour as prevalent at Kanpur, Lucknow, Varanasi and Allahabad and the handling mazdoors under the direct payment system as existing at Hapur and Hardwaganj, is the same and both the categories of workmen work under the direct supervision of the officials of the FCI and there is no justification for discrimination between the workmen at Kanpur, Lucknow, Varanasi and Allahabad and these at Hapur and Hardwaganj, and have prayed that the workmen at all the places be treated on par and the handling mazdoors at Hapur and Hardwaganj be paid the same wages and other benefits as are being paid to the handling mazdoors at Kanpur, Lucknow, Varanasi and Allahabad.

5. The Management has made highly confusing and contradictory pleadings in their written statement but have opposed the otherwise quite reasonable and justified demand of the Union with the same stubbornness as was demonstrated by it in many similar matters before the Hon'ble Supreme Court of India and other Tribunals. Thus in the earlier part of the written statement the Contract system was justified as being expeditious and efficient but subsequently it was stated that the system of direct payment was adopted as many a time the workers complained that they were paid short by the Contractors and thus the contract system was condemned by itself. However, it was pleaded that the introduction of direct payment system did not mean that the handling mazdoors covered by it became the employees of the Management. It was further stated that the service conditions of the handling mazdoor at Lucknow, Kanpur, Varanasi and Allahabad were quite different because of local conditions. However, the difference on account of local conditions has not been specified. Again at one place it was denied that the attendance record of the direct payment labour is maintained by the Corporation and it was stated that they are only given a work slip for the job performed on the basis of which their authorised representative submits the bill and gets the payment. However, at a later stage it was submitted that it is not denied that some control is exercised by the officers of the Corporation but the immediate supervision and control is however, exercised by the representatives of the Union.

6. The Management has also raised frivolous legal objections. Firstly it has been objected that the reference is bad and ultra vires as it has been made by the Desk Officer

who is not the Appropriate Government as defined in section 2-A of the I.D. Act. As the order of reference itself makes it clear the reference has been made by the Central Government and not by the Desk Officer himself who has only signed on behalf of the Central Government and under the Rules of business some officer as to sign on behalf of the Central Government. Again it has been objected that after the passing of the Contract Labour Regulation and Abolition Act, no reference about the abolition of the contract system can be made under the provisions of the Industrial Disputes Act. The present order of reference does not relate to the abolition of the contract system as it is and hence this objection is without any basis. Again it has been objected that the Bhartiya Khadya Mazdoor Sangh is the only Union to represent the workers employed under the Corporation for the State of U.P. and the Union is competent to raise dispute only in respect of the workmen of the corporation in the State of West Bengal. In the first instance it has been made clear by WW1 Ajit Kumar Kochhar that the Union is on all India Basis and not confined to Hapur and Hardwaganj and the workers at Hapur and Hardwaganj are members of the Union and be also denied that the Bhartiya Khadya Nigam Mazdoor Sangh is the only representative of the workers at Hapur and Hardwaganj. Secondly, the Industrial Disputes Act was enacted to ensure fair play to the working class in their service controversies with the Management. It therefore, follows that being a beneficial legislation it's interpretive benefits would go to the workman rather than the Management. Thus if the affected workers have pooled their resources and have sought the assistance of the Union which is registered on All India basis, the espousal of the case appears to be quite in order. It may be observed here that a similar objection raised by the Management in respect of this very Union was rejected by the Central Government Industrial Tribunal, Chandigarh in I.D. No. 157/83 (Delhi) and I.D. 12/83 (Chandigarh) vide Award dated 12-3-86. Lastly a reference has been made to the Award passed by the Central Govt. Industrial Tribunal, Calcutta in I.D. 13/1977. The Union in its rejoinder has stated that the said award has been challenged before the Hon'ble Supreme Court and the appeal of the Union has been admitted by a Special Leave granted on 13-3-1981. Therefore, the matter being sub-judice and to be re-examined by the Hon'ble Supreme Court of India the reference to the Award of the Industrial Tribunal, Calcutta appears to be premature and unethical.

7. On merits it is admitted by MW-1 Shri A. R. Prasad, Deputy Manager FCI, Lucknow that the work being done by the Labour at Hapur and Hardwaganj is the same as is being done by the departmentalised Labour at other places.

Thus on the principles of equal pay for equal work there appears no justification for treating the departmentalised labour at Kanpur, Lucknow, Varanasi and Allahabad differently from the direct paid labour at Hapur and Hardwaganj in the matter of wages and other benefits. This observation should not be taken to mean that the entire labour force employed by the FCI throughout the country has to be treated uniformly because the principle of Industry-cum-Region has to be kept in view. However, in the present case it has to be noted that Kanpur, Lucknow, Varanasi and Allahabad fall in the State of UP as also the towns of Hapur and Hardwaganj. The Management has not been able to make out any case that Hapur and Hardwaganj are in different region in the matter of availability of Labour than Kanpur, Lucknow, Varanasi and Allahabad. Therefore, the workmen at Hapur and Hardwaganj can not be differentiated from the workmen at Kanpur, Lucknow, Varanasi and Allahabad, on the principle of Industry-cum-Region basis. The main thrust of the Management before this tribunal has been that as opposed to the departmentalised Labour at Kanpur, Lucknow, Varanasi and Allahabad the direct payment labour at Hapur and Hardwaganj are not the employees of the corporation and they are more like contract labour. This contention was considered by the Hon'ble Supreme Court of India in civil appeal No. 1055 (NL) of 1981 the workmen of FCI Vs. M/s. FCI and decided on 28-2-85 and was negatived and it was clearly held that the direct paid labour are the employees of the Corporation and they are entitled to all the rights liability and obligations and duties as prescribed for the workmen of the corporation. In view of these findings given by the

Hon'ble Supreme Court of India the Contention of the Management must be rejected.

8. In view of the discussions made above, the reference is answered in favour of the Union and against the Management and it is held that the action of the Management in not treating the direct payment system employees at Hapur and Hardwaganj as their employees and depriving them from payment of wages and other benefits which have been given for similar work to the employees at Kanpur, Lucknow, Varanasi and Allahabad is neither fair nor just nor legal. It is, therefore, directed that the direct payment system employees at Hapur and Hardwaganj be treated at par with the departmentalised labour at Kanpur, Lucknow, Varanasi and Allahabad in the matter of wages and other benefits for similar work.

Further it is ordered that the requisite number of copies of this award may be forwarded to the Central Government for necessary action at their end.

APPEARANCES :

Shri P. N. Kapani—for the workman.

Shri I. K. Verma—for the Management.

AWARD

The Central Government in the Ministry of Labour vide its notification No. L-42012(43)/85-D. II(B) dated 16-12-85

has referred the following industrial dispute to this Tribunal for adjudication :

"Whether the action of the Executive Engineer 'C' Division, C.P.W.D. New Delhi in terminating the services of Shri Sunder Lal with retrospective effect w.e.f. 20-7-73 while the departmental proceedings were going on against the workman from 1979 onwards is justified? If not to what relief the workman entitles?"

2. The workman in his statement of claim has stated that he joined the respondent as a Chowkidar during the year 1963 and on 5-2-72 he was transferred to the 'C' Division of C.P.W.D. On 23-9-72 an incident took place when the workman refused to be a party to the embezzlement/misappropriation of government stores by respondent No. 1 and consequently he was denied duty and wages since 28-9-72. The respondent No. 1 fabricated allegations against the workman but declined to make them in writing. The workman had been making representations continuously since 28-9-72 for duty and wages but the respondent No. 1 declined to consent anything in writing. Ultimately the workman represented before the Hon'ble Minister, which resulted in a charge sheet dated 13-9-77/21-3-79 being issued against him. The enquiry proceedings on the charge sheet were completed with the enquiry report dated 30-10-80. The disciplinary action was further processed with the show-cause notice dated 18-8-81 which was replied on 1-9-81 and the matter rests there without any further order having been passed on the disciplinary proceedings. The workman was then forced to file an application under section 33-C(2) of the I. D. Act for recovery of his wages and other dues. However, during the pendency of those proceedings the respondent No. 1 issued a memo dated 21-9-83 saying that the services of the workman automatically ceased w.e.f. 20-7-73 i.e. with retrospective effect by more than 10 years before the issue of the memo, due to the long absence of the workman from the date 20-7-72. It is alleged that the allegations of absence made in the memo dated 21-9-83 are mischievous and frivolous intended to conceal pendency of the disciplinary proceedings since 1-9-81. The workman never remained absent but was denied duty and wages since 28-9-72 and was forced to proceed on leave for a certain period and the denial of duty cannot be interpreted as absence, much less wilful absence. Hence the memo of respondent No. 1 dated 21-9-83 is illegal and liable to be quashed and the workman is entitled to full wages w.e.f. 28-9-72.

3. The Management in its written statement made certain preliminary objections but as these were not pressed at the time of arguments the same are not being mentioned. On merits it was submitted that the workman had wilfully absented from duty without rhyme or reasons and no medical fitness certificate required under the rules was produced and his absence was therefore treated as misconduct as the same was not covered by any leave application or medical certificate. The date of birth of the workman is 1-1-1923 and he reached the age of superannuation on 31-12-82. The workman was held to have intentionally avoided joining duty w.e.f. 20-7-83 by the enquiry officer in his report dated 30-10-80 and hence the deemed date of effect of termination of his services is factually correct. There was a specific charge of misconduct on account of absence in the charge sheet dated 21-3-79 on which enquiry was held and, therefore, the order dated 21-9-83 is based on facts and duly proved during the enquiry. It was further stated that the workman was not denied duty as alleged but was on duty in between spells of leave i.e. prior to 4-10-72 and 20-10-72 and he had been paid his wages accordingly. He reached the age of superannuation on 31-12-82 and thus he is deemed to have ceased to be in service w.e.f. 20-7-73 the date from which he was held to have avoided joining duty as per enquiry report dated 30-10-80. It was further stated that no individual person had held the charge of 'C' Division C.P.W.D. and in view of frequent changes in incumbency the case was initiated and processed by different officers who acted in good faith on the basis of material on record and no mala fide intention may be assumed on part of each one of them. The workman failed to prove his defence by leading evidence before the enquiry officer and thus he is not entitled to wages or any damages, etc., as the absented of his own volition.

4. It is a case of gross negligence and a pathetic ignorance of rules and procedure, on behalf of the concerned officers of the C.P.W.D. The Management has asserted that the workman had absented from duty w.e.f. 20-7-73. In that event the next logical course of action was to take disciplinary action against the workman for his absence from duty as contemplated in rule 25(2) of the Central Civil Service (Leave) Rules, 1972. However, nothing of the sort was done and the Management lapsed into an inexplicable hibernation till it was jolted into action by the representation made by the workman himself for provision of duty and payment of wages when followed a charge-sheet dated 13-9-77 against the workman. However, without assigning any reason for dropping the said charge-sheet or cancellation of the charge-sheet, a fresh charge-sheet dated 21-3-79 was served upon the workman on the basis of which an enquiry was conducted by Shri S. K. Bhalla who submitted his report dated 30-10-1980. This action of the Management in dropping the earlier charge-sheet and framing a fresh charge-sheet was clearly illegal and violative of the rules. In this regard para 8 and 9 at page 109 of Swamy's Compilation of CCS (CCA) Rules 14th Edition are reproduced below :—

"8. No closing of disciplinary proceedings without intimation to the accused.—Once disciplinary proceedings are initiated against an official the proceedings cannot be closed without sending an intimation to that effect to the accused official.

Disciplinary proceedings against an employee who has been dismissed or removed from service in another disciplinary case will stand suspended. These proceedings can be revived, if and when the official is reinstated in service on appeal.

9. Reasons for cancellation of original charge-sheet to be mentioned if for issuing a fresh charge-sheet. It is clarified that once the proceedings initiated under Rule 14 or Rule 16 of the C.C.S.(CCA) Rules 1965, are dropped, the Disciplinary Authorities would be debarred from initiating fresh proceedings against the delinquent officers unless the reasons for cancellation of the original charge-sheet or for dropping the proceedings are appropriately mentioned and it is duly stated in the order that the proceedings were being dropped without prejudice to further action which may be considered in the circumstances of the case. It is, therefore, important that when the intention is to issue a subsequent fresh charge-sheet, the order cancelling the original one or dropping the proceedings should be carefully worded so as to mention the reasons for such an action and indicating the intention of issuing a subsequent charge-sheet appropriate to the nature of charges the same was based on".

5. The workman has placed on record a copy of the letter No. IDA(8)/CD-CIV/225 dated 15-1-76 addressed by the XEN 'C' Div. to the Superintending Engineer, DCCII which goes to show that the enquiry held against the workman was a Sham affair as the officers had predetermined the fate of the workman in the following words :—

"Shri Sunder Lal, Chowkidar is considered undesirable person for Government service and as such he should not be allowed to resume duty, instead his services should be terminated under Rule 5 of CCS (Temporary Service) Rules."

Therefore, it appears that what followed was in implementation of the above decision.

5A. Reverting to the finding of the enquiry officer, there were two charges framed against the workman. The first charge was the alleged misdemeanour of the workman in hoisting the National Flag up-side down at the Prime Minister's office in South Block and it was held that this charge was not substantiated and the workman was exonerated. As regards the second charge of disobedience and irregular attendance of duties, it has been observed that

when the presenting officer was asked to produce evidence be stated that there was nothing on the record to prove the charge of disobedience as also irregular attendance because the attendance register for the period in question had been destroyed. The other observations of the Enquiry Officer regarding the alleged absence from duty of the workman are reproduced below as they are highly relevant to the present controversy :

(ii) So far as his absence from duty after 4-10-72 the accused has denied that he abstained from duty wilfully but on the contrary alleged that he was forced by the circumstances created by the Caretaker Shri Jawahar Lal (resulting in ill health) to proceed on leave. When Shri Sunder Lal was asked to give proof in support of his stand that he was not allowed by Shri Jawahar Lal to join duty he stated that no employee will be prepared to come as witness in his support for fear of victimisation. He further ascertained that he has been regularly applying for leave alongwith necessary medical certificates etc. and very much wanted to join duty after the expiry of last leave and gave fitness certificate to the Caretaker Shri Jawahar Lal. He however could not produce any proof in support of having delivered the same to the Caretaker.

The assertion contained in the statement of imputation that Shri Sunder Lal did neither send any application after 19-6-73 nor reported for duty, although advised to do so vide letter No. 15(334)/CD/CIV-2729 dated 29-6-73, stands nullified by the department itself vide letter No. 15(334)/CIC-74-CD/1416 dated 8-4-74 addressed to S.E. (Enquiry) by the Ex-Engineer, 'C' Division stating that Shri Sunder Lal was on leave upto 20-7-73 on M.C. where after he did not apply for leave (the leave application for this period alongwith M.C. is also available in record vide diary No. 3324 dated 25-7-73).

When the presenting Officer was asked to intimate if any action in writing as prescribed under relevant rules was taken regarding any employee who wilfully avoids sending application and fails to join duty, he stated that there is nothing on record to show that this was done.

When the presenting officer was asked to intimate if the accused was asked to join duty immediately he told that there was nothing on record to show it and also said that as Shri Sunder Lal, Chowkidar never came with fitness certificate to join duty he was treated to be sick person not able to join duty.

Thus on thorough perusal of the records and the proceedings of the enquiry it becomes evident that neither the accused made any serious efforts to join duty nor the department (who is supposed to be well conversant with the rules) took any step to call the accused back to duty and did not even think his absence from duty for such a long period worthy of any disciplinary action all the while till the accused approached the higher authorities for redressal of his grievance. On the contrary the department considered him to be a genuine sick person unable to join duty (as stated by the presenting officer) and never doubted his intention because the certificates given by a private practitioner were accepted without any hesitation although the accused was a C.G.H.S. card holder.

Thus in the light of foregoing facts and analysis based thereon and subsequent letters written by the accused the undersigned is of the considered opinion that Shri Sunder Lal avoided joining duty from 20-7-73 to 17-8-75 intentionally."

6. Thus even the Enquiry Officer has not held that it was a case of wilful absence on the part of the workman and it has only been held that the workman intentionally avoided joining duty from 20-7-73 to 17-8-75. However, this finding of the Enquiry Officer is not based on any legal evidence and, therefore, it cannot form the basis of any penalty against the workman. In any case the Management served a show-cause notice dated 18-9-81 on the workman regarding the proposed punishment of removal from service to which the workman submitted his reply but the matter rests there and no further order has been passed on the reply submitted by the workman. This would go to

1400 GI/86—19

show that the entire disciplinary proceedings were abandoned by the Management and the final order of termination dated 21-9-83 is not based on the said charge sheet or enquiry. In the meantime the workman attained the age of superannuation on 31-12-82 and the Management has passed a quixotic order dated 21-9-83 which is reproduced below :

"Shri Sunder Lal Chowkidar has remained absent from duty since 20-7-73. Therefore, his period of absence exceeds 5 years. His service hence automatically deems to have ceased w.e.f. 20-7-73.

Sd/-Executive Engineer,
'C' Division, C.P.W.D.
New Delhi."

7. The reason for automatic cessation of services has been given as absence for a period exceeding 5 years but there is no rule which provides such automatic cessation. Moreover, the order of termination takes effect only from the date it is communicated to the delinquent workman and cannot be passed with retrospective effect of more than 10 years. Relevant extracts from Swamy's Compilation of CCS(CA) Rules 14th Edition at page 114 and 115 are reproduced below :—

"Communication of Orders :—

17. Orders made by the disciplinary authority shall be communicated to the Government servant who shall also be supplied with a copy of the report of the inquiry. If any, held by the disciplinary authority and a copy of its findings on each article of charge, or where the disciplinary authority is not the inquiring authority, a copy of the report of the inquiring authority and a statement of the findings of the disciplinary authority together with brief reasons for its disagreement, if any, with the findings of the inquiring authority unless they have already been supplied to him and also a copy of the advice, if any, given by the Commission, and where the disciplinary authority has not accepted the advice of the Commission, a brief statement of the reasons for such non-acceptance.

GOVERNMENT OF INDIA'S INSTRUCTION

- (1) Commission of punishment order.—Ordinarily the officer who has recorded his findings in a disciplinary case should, as far as possible, communicate the order under his own signature. In exceptional cases in which this has not been possible, the successor has to communicate the decision as taken by his predecessor without modification or alteration in any manner. (Rule 99 of Posts and Telegraph Manual, Volume III).

CASE LAW

- (1) Meaning of 'communication'.—(i) Once an order other than of dismissal, is issued and it is sent out to the concerned Government servant, it must be held to have been communicated to him, no matter when he actually received it.
(State of Punjab V. Khemi Ram, (1969) 2 S.C.W.R. 718 : AIR 1970 S.C. 214).
- (ii) Order of termination of employment does not become effective until it is intimated to the employee or is otherwise published.
(State of Punjab V. Amar Singh Harika, AIR 1966 S.C. 1313)."

8. It is, therefore, apparent that the order dated 21-9-83 is illegal and void ab initio and is hereby quashed.

9. In the result it is held that the workman shall be deemed to have been in service and to have retired from service on 31-12-82 on attaining the age of superannuation

and he shall be paid full back wages from 28-9-72 onwards and all his retiral benefits.

12th November, 1986.

Further it is ordered that the requisite number of copies of this Award may be forwarded to the Central Government for necessary action at their end.

APPEARANCES

Sri G. K. Sahu, Admn. Officer—For the First Party.

AWARD

1. This is a reference under section 10(1) of the Industrial Disputes Act, 1947 made by the Central Government vide Notification No. L-43012(25)/84-D.V dated 6th December, 1985 of the Labour Department. The schedule of reference is as follows :—

“Whether the action of the management of Heavy Water Project, Talcher in ordering that, the pay and allowance of Shri N. C. Parida, M. Baragi, N. K. Behera and C. R. Majhi during the suspension period from 20-2-1979 to 8-10-1980 shall be equivalent to the pay and allowance already drawn by them during the period of suspension is legal and justified? If not to what relief the workmen are entitled?”

2. The case of the workmen is that they have been chargesheeted on false ground of physical assault to some of the supervisory staff in the colony area. On the same allegations the police had booked a case in the court of the

S.D.J.M., Talcher. These workmen were required to face simultaneously both the departmental proceeding and the proceeding in the criminal court. The workmen obtained an order staying the departmental enquiry. Thereafter there was an agreement between the parties. In accordance with that agreement the departmental action was stopped and the disciplinary proceedings were vacated by the order of the Management dt. 17-10-81. It was understood that no further action was contemplated against the workmen. In the criminal case the workmen were acquitted. Thus it is contended that there is neither any proof much less any finding that the workmen were guilty of the allegation for which they had been chargesheeted. The Management however had restricted the payment of the salary to these workmen during the period of suspension from 20-2-79 to 8-10-80 to the subsistence allowance payable to them. This restriction according to the workmen is neither legal nor justified. It is further stated that according to the terms of the agreement the disciplinary proceedings were to be vacated after maintenance of industrial peace for a period of one year and in fact that has been done. Thereafter another one year was allowed to pass and this order restricting the salary to the subsistence allowance has been made. This delay according to the workmen indicates the motive of the management to penalise the employees in an unjustified manner.

3. The Management's case on the other hand is that when the enquiry into the departmental proceeding was in progress the workman Shri N. C. Parida resorted to hunger strike. After his removal to the hospital another employee namely G. Jeevdam replaced him on 28-9-1980. In order to prevent the situation taking a serious turn, the Management approached the Union for withdrawal of the strike. After detailed discussion, a settlement was arrived at with the Union on 29-9-80. According to the terms of the agreement four workmen were to be reinstated after the receipt of vacation of stay order in the High Court and disciplinary proceeding already initiated shall be vacated after one year of industrial peace. The Union agreed to withdraw the hunger strike and also to obtain the vacation of the stay order. After the withdrawal of strike on 29-9-80 the Management revoked the suspension order of these four workmen and reinstated them in service with effect from 9-10-80. As industrial peace was maintained for a period of one year after the settlement, disciplinary proceedings against the four workers were vacated by the Management as per the settlement. The Management, it is stated that far from being vindictive in any way, adopted a fair and impartial attitude and promoted these four workers to higher grades. During the period of suspension they were paid subsistence allowance as admissible under the rules. In this connection it is submitted that under Fundamental Rule 54 (B), the authority is competent to order reinstatement if it is of the opinion that the suspension was not wholly unjustified. The said authority can decide the amount of the pay and allowance to be paid and also whether the period of suspension should be treated as period spent on duty for specified purposes. In exercise of this power, the Management ordered that these four workers shall be entitled to pay and allowance equivalent to the subsistence allowance already drawn by them for the period they remained under suspension. It has been further ordered that the period of suspension shall be treated as period spent on duty for all purpose except to the extent that they will not earn any leave in respect of the period they remained under suspension. Finally it is contended that the settlement did not obligate the Management to treat the period of suspension in a particular manner. Thus it can not be said that there has been any breach of terms of the settlement.

4. The only question for consideration is whether in the facts and circumstances of the case the action of the Management in ordering that the pay and allowance of these four workmen during the period of suspension shall be equivalent to the pay and allowance already drawn by them during the period of suspension is legal or justified.

5. It is not disputed that the four workmen had been chargesheeted on the allegation of assaulting some of the superior staff. A criminal case had also been lodged on the same allegation against them. It is also not disputed that the workmen were acquitted from the criminal charge. In accordance with the terms of settlement the workmen were reinstated in their service and after maintenance of peace for a period of one year the disciplinary proceeding was also dropped. According to the workmen in view of the settlement referred

to above it was not open to the Management to treat the period of suspension as such. In other words the Management was not justified in allowing these four workmen only the subsistence allowance during the period of suspension which amounts to a sort of punishment. According to the Management however, the settlement being silent as to how the period of suspension will be treated, the Management was within its power to pass order according to the provision contained in section 54(B) of the Fundamental Rules. Though the settlement is silent as to how the period of suspension shall be treated, the very terms of the settlement would indicate that neither of the parties intended that the workmen should be visited with any penalty. If the period of suspension is treated as such that would certainly amount to passing an order of punishment. It was understood that the proceeding should be dropped if industrial peace is maintained for a period of one year and the workers having complied with the condition, the Management did drop the proceeding. But after a period of one year had passed, an order that during the period of suspension the workmen shall be entitled only to the salary they have drawn as subsistence allowance was passed. The Management like an ideal employer should have seen that the four workmen are not visited with any penalty, once it is decided that the proceeding should be dropped. In fact it is nowhere stated that the Management on a review of the materials came to the conclusion that the suspension was justified. This being the position, the action of the Management in restricting the pay and allowance of the four workmen during the period of suspension to the pay and allowance already drawn is not justified.

5. Thus the workmen are entitled to the full pay and allowance during the period of suspension from 20-2-1979 to 8-10-1980 and an Award be accordingly passed.

AWARD

The Central Government in the Ministry of Labour vide its notification No. L-12012/154/81-D.II(A) dated 9-12-81 has referred the following industrial dispute to this Tribunal for adjudication.

“Whether the action of the management of New Bank of India in relation to its Sarhind Branch in discharging Shri Gukul Singh, Daftry/Peon from service with effect from 16-11-1979 is justified? If not, to what relief is the workman concerned entitled?”

2. The salient facts are that Shri Gukul Singh, workman, joined the service of the respondent bank on the basis of appointment letter dated 14-9-76 Ex. M-6 and was posted at Sarhind Branch of the bank. On 17-8-78 the Management served a show-cause notice on the workman as to why he should not be dismissed without notice on the allegations that he had received an amount of Rs. 50 on 6-3-78 and Rs. 100 on 5-6-78 from the depositor Gurbachan Singh but the same was not deposited in the account of the depositor and was misappropriated by the workman and he had also forged entries in the pass book of the depositor. The workman was also placed under suspension with immediate effect and was directed to present himself before the Additional Deputy General Manager. There were some adjournments and ultimately the workman appeared before the Additional Deputy General Manager on 26-12-78. The Management terminated the service of the workman vide memorandum dated 29-10-79 by way of discharge simpliciter on payment of notice-pay for three months alongwith retrenchment compensation. The workman filed on appeal against the said order but the appeal was also dismissed by the General Manager and the appellate order was communicated vide memorandum dated 26-12-79.

3. The case of the Management is that the workman had committed misappropriation and forgery in respect of the following amounts of two depositors;

Smt. Rajinder Kaur		
Sv AC No. 578	9.3.78	Rs. 35/-
	13.5.78	Rs. 30/-
2. Gurbachan Singh		
Janta Deposit	5.6.78	Rs. 50/-
	5.6.78	Rs. 50/-
Towards 10th and 11th Instalment		

It is alleged that the workman collected these amounts from the two depositors on the dates mentioned and instead of depositing the amounts in the account of the depositors he misappropriated the amounts unto himself and in furtherance of his dishonest intention, he committed forgery by making false entries in the pass books. The said offence came to light when Smt. Rajinder Kaur approached the bank. On being confronted the workman made a voluntary confessional statement dated 11-7-78 Ex. M-3 in Hindi to the following effect: “that he had received the funds from the customers.

2. That he had failed to account for the same or deposited in the accounts of the person.

3. That he had made false entries in the pass book misrepresenting thereby as if the amount entrusted to him by the customers has been deposited.

4. Subsequently the workman factually deposited the amounts on being exposed.”

4. The above confessional statement has been placed on record as Ex. M-3. It is further case of the Management that pursuant to the confessional statement of the workman the bank could have terminated his employment straightaway, yet in conformity with the principles of natural justice and the service conditions, the bank issued a show-cause notice calling upon him to appear before the punishing authority. The workman avoided appearing before the punishing authority and took a number of adjournments. Ultimately he appeared before the punishing authority Shri S. D. Nayyar, the then Assistant General Manager of the bank on 26-12-78 duly represented by Shri S. N. Duber the General Secretary of the State Bank of India Employees Association affiliated to the INBEO, when again the workman admitted his guilt and lapses and begged pardon and assured that he would not repeat or commit such action in future and prayed for lenient view/action in the matter. This written apology admittedly signed by the workman and also by Sh. S. N. Duber his representative, is placed on record as Ex. MY/2. It is further case of the Management that as it was a case of fraud/dishonest misappropriation of bank's fund and that too repeatedly, the bank as a credit banking institution in the sensitive area, did not prefer to keep such an employees in its employment and terminated his service by paying him retrenchment compensation and three months notice-pay. The bank also inter alia raised preliminary objection that the bank was taken over by the Central Government i.e. Union of India w.e.f. 15-4-80 under the Act of Take over namely the Banking Companies (Acquisition & Transfer of Undertaking) Act, 1980 and the said Act has validated all actions of the bank and being a special statute over-rides general law and, therefore the reference is bad in law.

5. The case of the workman is that the action of the bank in terminating the services of the workman solely on the ground of so called confessions and admissions of the workman is unjustified, illegal, arbitrary and in violation of the provisions of Section 25-F of the I.D. Act. It is further stated that the alleged Confessional statement before the Additional Deputy General Manager was obtained under inducement that if the workman confessed his guilt he would be taken into service and such a confessional statement is not a confessional statement in law and has to be excluded and that there should have been a regular enquiry. Further the order of discharge amounted to dismissal. The termination of the service of the workman amounts to retrenchment but the workman was not paid notice-pay and retrenchment compensation at the time of his retrenchment and thus there has been violation of section 25-F of the I.D. Act. Hence it was prayed that the workman may be reinstated with full back-wages and continuity of service.

6. On the basis of the pleadings of the parties the following issues were settled on 5-4-80 :

1. As in terms of reference.

2. Whether order of reference is contrary to the Act of take over of 1980 and if so to what effect.

7. After the parties had led their evidence and arguments were heard the workman through his representative filed an application dated 27-11-86 to the effect that the date of termination of services as 16-11-1979 mentioned in the terms of reference is incorrect and apparent error on the face of the record because the services of the workman were terminated vide order dated 29-10-79. In fact there was no order of termination dated 16-11-79 and hence the appropriate government could not have assumed the date of termination as 16-11-79. Hence it was prayed that either this Tribunal may withhold the award and allow the claimant to move an application to the appropriate government for correction modification of terms of reference or in the alternative treat the date of termination as 29-10-79. The application of the

workman has been vehemently opposed by the Management and a Management has asserted that the date of termination has been correctly taken by the appropriate government as 16-11-79 and the application of the workman is highly belated and should not be entertained at this stage.

8. First of all I propose to take up the application dated 27-11-86 filed by the workman. There is no doubt whatsoever that the application has been filed at a highly belated stage and is liable to be rejected on this short ground. It may be mentioned that the order of reference was made by the appropriate government on 9-12-1981 in which the date of termination of service was clearly given as 16-11-79. The workman filed his statement of claim on 19-4-83 through his authorised representative and himself mentioned in his prayer that orders of the Management discharging him from service w.e.f. 16-11-79 should be declared as not justified, null and void. The Management filed its written statement on 7-10-83 in which it was clearly mentioned that the order of discharge dated 29-10-79 was served on the workman on 16-11-79 and the payment of notice pay and retrenchment compensation amounting to Rs. 2835.60p was made to the workman by crediting the amount in the account of the workman in the Sarhind branch. The workman filed a rejoinder on 21-1-84 and even in the rejoinder no objection was taken to the date of termination. The evidence of the management was completed on 17-11-84. and the evidence of the workman was completed on 5-11-86. Therefore, it is too late in the day now for the workman to make this application regarding the date of termination of his services. The Management has placed on record a statement of account of S. B. Account No. 43 of the workman with the Sarhind Branch of the bank wherein it is clearly indicated that an amount of Rs. 2835.60 p. was credited to his account on 16th November, 1979. A further sum of Rs. 118.15 p. as 15 days salary for the month of November, 1979 was also credited to his account on 26th November, 1979. The Manager of the Sarhind Branch of the bank in his letter dated 12th November, 1986 has communicated that the workman had asked for the statement of his account vide letter dated 13th April, 1981 which was sent to him on 15th April, 1981. The bank has also placed on record a photo copy of the voucher dated 16th November, 1979 regarding the deposit of Rs. 2835.60 p. in the account of the workman and photo copy of number of withdrawal forms which go to show that the workman had been operating his account & had withdrawn the amounts deposited in his account with the result that as on April 26, 1980 the balance in his account was only Rs. 11.49 p. All these documents at once go to show that the workman was well aware of the deposit of notice pay and retrenchment compensation in his account on 16th November, 1979 and the salary for 15 days of November. on 26th November, 1979. It is also significant to note that the Management in its reply copy Ex. M-1 in the conciliation proceeding before the A.L.C.(C) Chandigarh had clearly stated that the memo. dated 29th October, 1979 was received by the workman on 16th November, 1979 and the amount had been credited in his account on the same day as per letter of the Branch Manager dated 16th November, 1979. This clearly goes to show that the stand of the Management at the earliest opportunity was that the service of the workman had been terminated w.e.f. 16th November, 1979 and not 29th October, 1979. The workman acquiesced to this stand of the Management by not raising any objection regarding the date of termination earlier and by withdrawing the amounts on account of notice-pay, retrenchment compensation and the salary for 15 days of November from his account. Hence the appropriate government was correct in taking the date of termination as 16th November, 1979 and there is no error in the terms of reference and hence the application of the workman is not maintainable. It may also be mentioned here that the application dated 27th November, 1986 appears to have been filed after the arguments because the main plank of the workman that the compensation had not been paid to him on the date of termination had fallen through on the basis of documents placed on record by the Management.

ISSUE NO. 2

9. This issue was not pressed at the time of arguments and, therefore, the ld representative of the workman did not have any opportunity to put forward his arguments. It is only in the written note submitted by the Management

after the arguments had been heard that some arguments have been put forward in support of this legal objection. As the representative of the workman did not have the opportunity to advance any arguments on this issue, the arguments put forward in the written note must be ignored. Hence this issue is decided against the Management and in favour of the workman.

ISSUE NO. 1

10. The workman has challenged the order of his termination on two main grounds. Firstly, that the alleged Confessional statement was obtained under inducement and was not confessional statement in the eyes of law and, therefore, there should have been a regular enquiry before his services could be terminated, and secondly that notice-pay and retrenchment compensation were not paid simultaneously on the date of termination and, therefore, there has been violation of the provisions of section 25-F of the I.D. Act. So far as the second ground is concerned, my above observation on the application dated 27th November, 1986 of the workman may be read mutatis mutandis in this issue. It is proved on record that the order dated 29th October, 1979 was served upon the workman on 16th November, 1979 and the services of the workman stood terminated w.e.f. 16th November, 1979 and the bank had deposited the notice pay and retrenchment compensation amounting to Rs. 2835.60 p. in the account of the workman in the Sarhind Branch of the respondent bank on 16th November, 1979 itself. The bank also deposited the salary of the workman for the first 15 days of November, in the account of the workman in the same branch, which the workman actually withdrew from his account and as on 26th April, 1980 there was a balance of Rs. 11.49 p. As the workman accepted his salary for the first 15 days of November and also the notice pay and the retrenchment compensation deposited in his account on 16th November, 1979, the only inference that can be drawn is that he acquiesced to the proposition that his services were terminated on 16th November, 1979 and that he was also paid notice pay and retrenchment compensation on 16th November, 1979. Hence there has been full compliance with the provisions of Section 25-F of the I.D. Act and this ground is not available to the workman.

11. In so far as the first ground is concerned, the Management has placed on record the original pass books of the depositors Mr. Gurbachan Singh Ex. MX-1 and Smt. Rajinder Kaur Ex. MX-2 as also the photo copies of the entries therein Ex. M-15 and M-16. There is entry in the pass book Ex. MX-1 of Gurbachan Singh showing deposit of Rs. 50 on 5th June, 1978 as 10th instalment and Rs. 50 on 5th June, 1978 as 11th instalment and both these entries are not signed by any official of the bank. Similarly there are entries in the pass book Ex. MX-2 of Smt. Rajinder Kaur which show an entry of Rs. 35 on March, 1978 and Rs. 30 on May 18, 1978 which also have not been signed by any official of the bank. The workman in his statement as WW 1 has admitted that the entries in the pass books of Gurbachan Singh Ex. MX-1 and in the pass book of Smt. Rajinder Kaur Ex. MX-2 have been made by him in his hand writing and have not been initiated by the bank Branch Manager. The workman volunteered that these amounts were taken from the depositors by the branch Manager and these entries were made by him at the instance of the Branch Manager. However, these voluntary statements were made by the workman only as an after thought because no such pleading has been taken by him either in his statement of claim or his rejoinder or in the proceedings before the Conciliation Officer. The Management has also placed on record the photo copy of the statement dated 11th March, 1978 in Hindi written and signed by the workman as Ex. M-3. The workman in his statement as WW 1 admits his signatures on Ex. M-3 and further that there is a reference to the depositors Gurbachan Singh and Smt. Rajinder Kaur in Ex. M-3. In Ex. M-3 the workman has clearly admitted that Mr. Gurbachan Singh had given him Rs. 30 and Rs. 150 for three instalments of Janta Deposit but he did not remember to deposit the same in his account and, therefore, he would now deposit the amount and there would be no such mistake in future and that he may be pardoned. He further stated that

he had made entries in the pass books but he did not remember the dates but there would be no mistake in future and then he further stated that he had deposited the said amounts. It is pertinent to mention here that in the statement of claim, while the workman has challenged the confessional statement recorded before Shri S. D. Nayar on 26th December, 1978 as having been obtained under inducement the workman has not disputed the correctness of the confessional statement Ex. M-3 and a casual reference has been made in para 3 of his written statement that he was issued the memo dated 17th August, 1978 pursuant to the so-called confessional statement dated 11th July, 1978. Therefore, the correctness of the confessional statement Ex. M-3 is not disputed and may be assumed to be correct. This document at once goes to prove that the workman had realised the amounts from the depositors and had also made the false entries in the pass books and further by depositing the amount subsequently he confirmed the fraud committed by him. This document further falsifies the statements volunteered by the workman in his cross-examination that the amounts from the depositors were taken by the Branch Manager and the entries in the pass books of depositors were also made at the instance of the branch manager. The case of the workman can be thrown out on the short ground of making false statement before this Tribunal. In any case, the earlier confessional statement Ex. M-3 dated 11th July, 1978 reinforces the stand of the Management that the workman made another confessional statement before Shri S. D. Nayar punishing authority on 26th December, 1978. It is significant to note that on 26th December, 1978 the workman was accompanied by Shri S. N. Duber who was no less a person than the general Secretary of the State Bank of India Employees' Association affiliated to I.N.B.E.C. and he would not have put down his signatures unless the confessional statement was voluntary. The workman in his statement as WW-1 admits that he had appeared alongwith Mr. Duber before Mr. Nayar and that he and Mr. Duber signed on the show cause notice Ex. MY-2. Hence his allegation that Shri S. D. Nayar had held out an inducement to him and the statement was made by him under inducement is only an after thought. There is no evidence whatsoever to show that any inducement was held out by Shri S. D. Nayar and moreover the confessional statement made before Shri S. D. Nayar is proved to be factually correct on the basis of the entries in the pass books Ex. MX-1 and MX-2 and on the basis of his earlier confessional statement Ex. M-3 dated 11th July, 1978. On the basis of the admitted and proved allegations of misappropriation and forgery against the workman, he could have been dismissed from service and in the light of the confessional statements made by the workman there was no necessity of holding a formal enquiry, yet the Management has taken a lenient view and has terminated service of the workman as discharge simplicitor by paying him notice pay and retrenchment compensation. It is also to be kept in view that confidence is the main credo for employees of a credit institution and employees of the type of workman who are prepared to misappropriate the amounts given by the depositors and to commit forgery are clearly unsuitable and unfit for retention in the service of the bank. Hence the bank was fully justified in passing the order of termination of service by way of discharge. This view is fully supported by the following two authorities: 1. Shri J. D. Jain Vs. The Management of the State Bank of India and another 1982 (44) FLR Supreme Court 65 wherein it was held as under :

"Domestic enquiry-Complaint, requirements of Complaint substantiated by circumstantial evidence is enough—Complaint need not be in writing—Hearsay evidence—Evidentiary value—Award of Tribunal was vitiated by misconception of law.

On a perusal of the evidence recorded by the Enquiry Officer, the Tribunal held that on the evidence before it, the appellant could not be held guilty as, according to it, in the absence of the evidence of Kansal, the evidence recorded was hearsay, with the result that it directed reinstatement of the appellant with full back wages from 22nd December, 1973. The respondent moved the High Court, under Articles 226 and 227 of the Constitution of India for quashing the award of the Tribunal. The High Court held that the charges against the appellant had been established and quashed the award of

the Tribunal. The Tribunal has committed another error in holding that the finding of the domestic enquiry was based on "hearsay" evidence. The law is well-settled that the strict rules of evidence are not applicable in a domestic enquiry. In the instant case, the alleged misconduct of the appellant was that he forged documents, withdrew Rs. 15,00.00—1,000.00 in excess of the amount he was authorised to draw and misappropriated the excess amount of Rs. 1,000.00. With regard to the fact whether the appellant manipulated the documents, withdrew excess amount and misappropriated it, there is, of course, no direct evidence of any eye-witness except the appellant's confession, referred to above. The evidence on which reliance has been taken by the respondent is the confession and circumstantial evidence, namely, the authority letter containing the admitted interpolations by the appellant in his own handwriting in different ink, and the addition of the digit "1" before 500. The evidence of Kansal would have been primary and material, if the fact in issue were whether Kansal authorised the appellant to make the alterations in the authority letter. But Kansal's complaint was to the contrary. For the purpose of a departmental enquiry complaint, certainly not frivolous, but substantiated by circumstantial evidence, is enough. What the respondent sought to establish in the domestic enquiry was that Kansal had made a verbal complaint with regard to the withdrawal of excess money by the appellant in presence of the four witnesses namely, Wadhwa, Gupta, Ramzan and Sarkar aforesaid, against his advice. On a complaint of Kansal, the evidence of these four witnesses is direct as the complaint is said to have been made by Kansal in their presence and hearing; it is therefore, not hearsay. As the respondent has succeeded in proving that a complaint was made by Kansal on the evidence of the above named four witnesses, the respondent has succeeded. No rule of law enjoins that a complaint has to be in writing as insisted by the Tribunal. The Award of the Tribunal, therefore, has been vitiated by misconception of the law involved in the case.

2. Kishan Dev Puri Vs. Union of India and others, 1982(44) FLR Delhi High Court 335 wherein it was held as under :

"Termination of service—Bank employee—Discharge simplicitor from service for writing threatening letters to higher authorities and also on account of unsatisfactory performance and past bad record—Domestic enquiry not held—Discharge order not vitiated—Where two courses of action are open to employer according to law he may prefer to adopt either of them.

The petitioner was discharged from service for writing threatening letters to the higher authorities of the Bank in highly offensive language and also on account of unsatisfactory performance and past bad record. The impugned order was one of discharge simplicitor. He entertained strong feelings against the officers of the bank for not being considerate to his problems created by accident to his daughter and prolonged illness of his wife. Because of his mental condition his performance was average and stoppage of increments was imposed on him a number of times and he kept on writing threatening letters to his superior officers. Confidence is the main credo for employees of a credit institution and unfitness due to lack of confidence is a principal derogatory conduct. The normal working and administrative discipline in a branch office are bound to be seriously affected by the conduct of an employee who indulges in writing such threatening letters. The order of discharge is passed bona fide, on the basis of substantial material and on proper application of mind to the material. It is not passed as an excuse or a cloak for avoiding the action of dismissal after domestic enquiry. The action is not intended to be a punishment and did not carry any

stigma. Unfitness for service or unsuitability for service does not amount to misconduct. An employee may have committed no offence but he may have developed traits which may make him unsuitable in the Bank's service. The conduct of the petitioner falls under the category of unfitness and unsuitability rather than misconduct. Even though a charge-sheet for misconduct was issued against the petitioner, it is not necessary that a regular domestic enquiry should be held against him. Even assuming that the grounds of discharge are also grounds of misconduct, if two courses are open to the employer according to law and one has been followed in preference to the other, no illegality is committed and the resulting order is not vitiated.

12. In view of the discussions made above the reference is answered in favour of the Management and against the workman and it is held that the workman is not entitled to any relief.

28th November, 1986.

Further it is ordered that the requisite number of copies of this Award may be forwarded to the Central Government for necessary action at their end.
